A unique Spirit runs through the halls of Port Huron Northern. Found in both the staff and the students, this great flow of life is always evident. The enthusiasm of the Mardi Gras week, the rivalry between Port Huron High School and Northern through the year, especially at the game which Northern competes with P.H. to win the Bell. The winter antics during the Snow Extravaganza also add to the Special Spirit of Northern. Although the following pictures capture only a glimpse of Northern life, they help to give you a look at the true meaning of School Spirit.

FUNERAL (fyoo-én r-l) n. 1. The ceremonies held in connection with the burial and cremation of the dead. 2. The ceremonies held by Port Huron Northern students for the hopeful downfall of the so called "Big Reds."

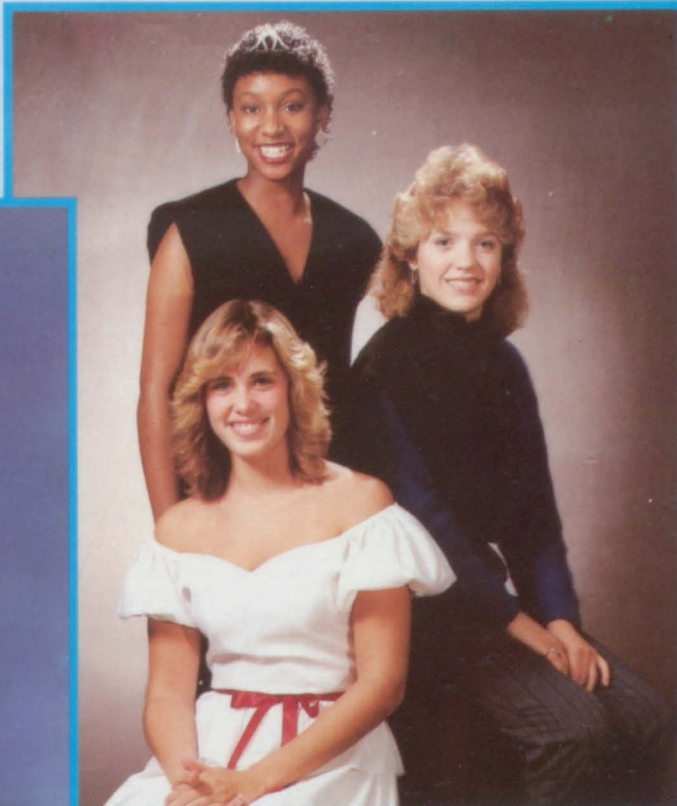

Every year some mysterious force in our student body organizes the funeral for Port Huron High School. The funeral is a procession of Port Huron Northern students through town to Memorial Stadium. At the stadium Northern's faithful fans cheer on our Huskies to a hopeful victory over Port Huron. Not only students attend this game but alumni and parents are there also. In fact, this year the game also happened to be Parent's Night. On Parent's Night, the football players and the cheerleaders are introduced with their parents. The true Huskie Spirit really shines through on this night, and everyone has a terrific time.

A Tear, A Smile A Queen Is Crowned, Northern Style.

This year the 1984-85 Mardi Gras Queen was Kasandra Gunter. Kasandra has attended Port Huron Northern for her entire high school career, and was deeply honored for this position which was bestowed upon her by her classmates. Lori Rowe and Whitney Trentacosta were her senior attendants on the Northern Court. The junior class representatives to court were Annemarie Pelc and Jackie Hossler. Kirsten Clark and Debbie Rhody were the sophomore representatives at court, and Janice Musselman and Lisa Davey represented the freshmen class.

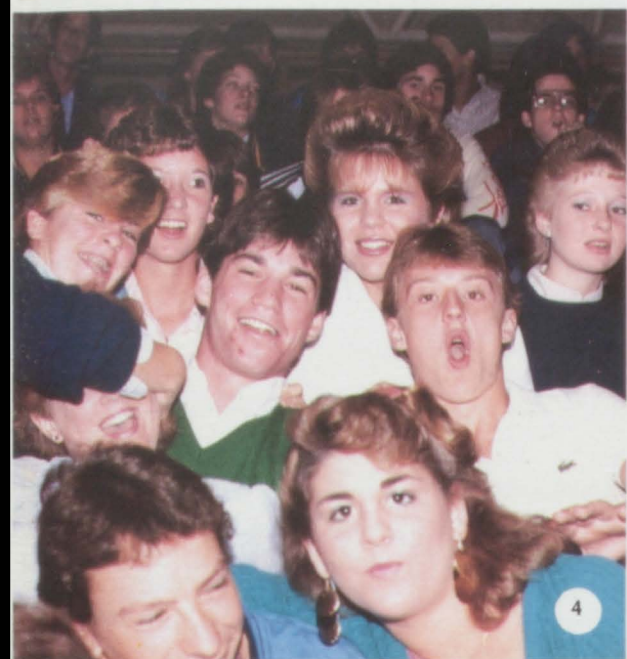

Captured *Spirit*

The time spent here at Northern passes by us so quickly. It is always nice to stop and capture some of those special moments of our high school years that we will always remember.

1. Keith Strevett and Chris Stein getting a little chummy. 2. Darcy Barber and Angie Liss at a home football game. 3. Betsy Ryan, Julie Hager, Paula Marengo, and Mike Wilhelm showing us their spirit. 4. Class of '86" being rowdy! 5. It's just you and me kid. Matt Gerus and Karen Lewandowski at Mardi Gras. 6. Rochelle Sass and Steve Jowett give each other a smile. 7. Jenine Schultz, Kathy Witherspoon, and Shelly Smith having a good time.

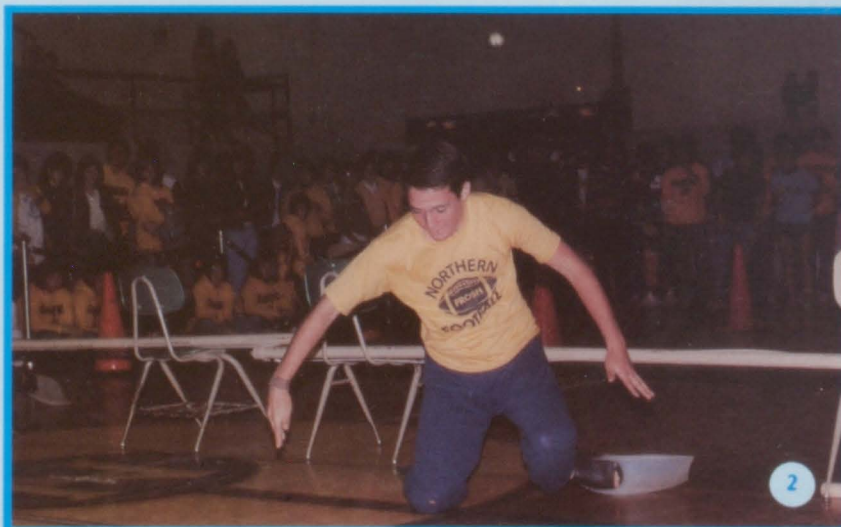

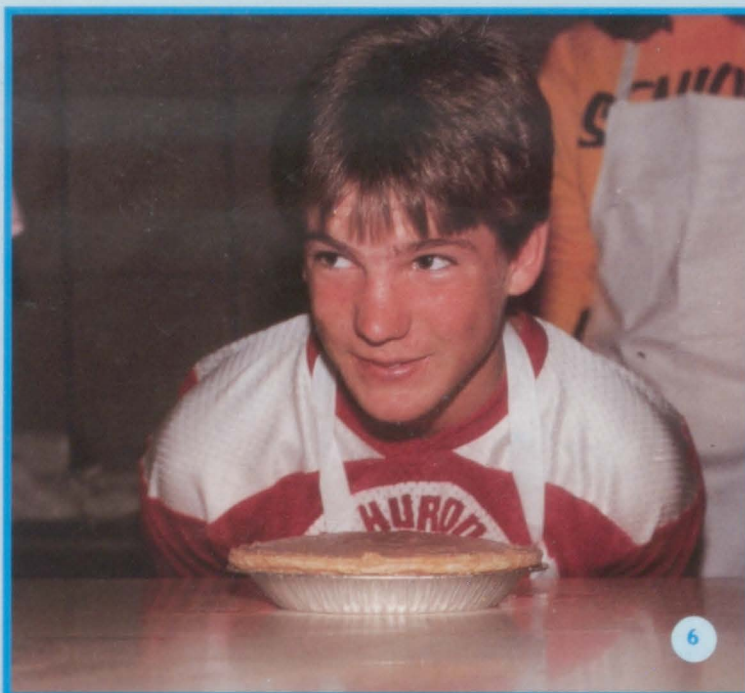

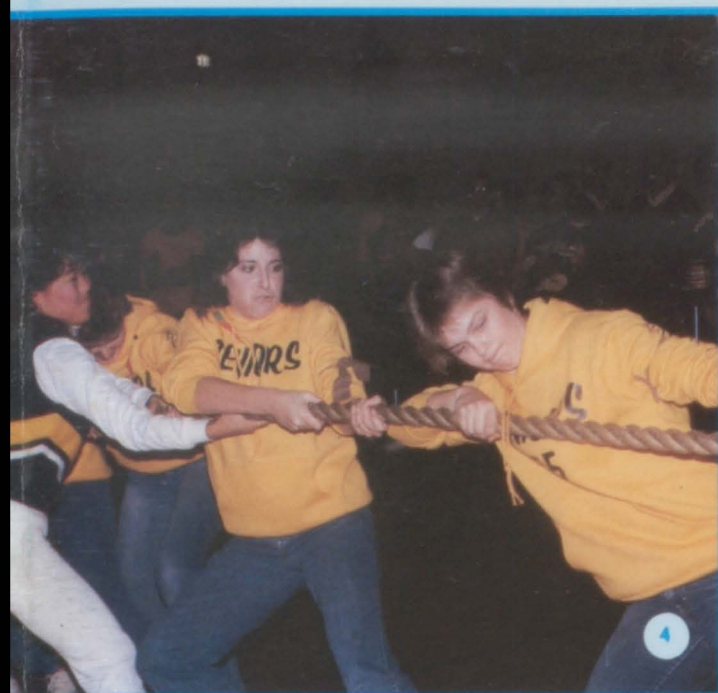

Catch the *Spirit* and Challenge of Mardi Gras

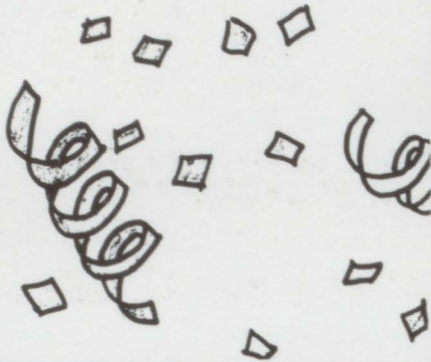

Mardi Gras is one of the most exciting events throughout the school year. The dance showed how unique a person could be in the decision of their costume. The costumes ranged from clowns to sailors and the winning costume was a couple dressed as a bride and a groom. They were Senior, Tony McMullin and Junior, Candy McLane. The games, of course, added a lot of extra spirit, too. Pitting class against class made the games spectacular. The games consisted of the following events: the scooter race won by the Seniors, the three-legged race won by the Seniors, the obstacle course won by the Seniors, the tug-o-war won by the Junior girls and Senior boys, the wagon race won by the Sophomores, the cart race won by the Juniors, and the pie eating contest won by the Junior President, the Sophomore Vice President, the Senior and Sophomore Secretary tied. The over all winners were the class of 85'.

The scores were Seniors — 65, Juniors — 58, Sophomores — 57, and the Freshmen — 43. The whole week was a success and we are hoping it is exciting next year, also.

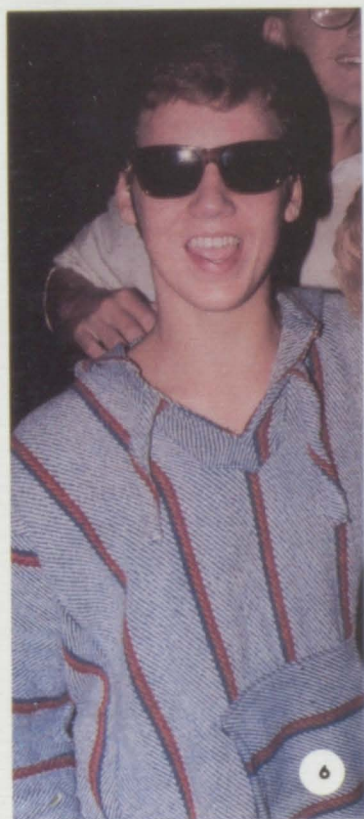

1. Jody Kilbourne, second place costume at the Mardi Gras dance. 2. Jeff Pietrowski helping the Freshmen out. 3. Kaylene Robbins, Deanna Bartrow, Laurel Deegan, Anne Howe and Monica Hyslop enjoying the dance. 4. The Senior girls pulling for their life. 5. Debbie Dunn and Diana Gaiger, sailor pals. 6. Pat Hoy waiting for the whistle. 7. Pat Hoy digging in.

School spirit counts, win or loose according to Lori Rowe, Michelle Koob, Tammy Dougan, Tracey Parrish and Pam Harris. 4. Three's a crowd, but not for Monte lafrate, Ruth Cochrane and Dawn Kinney. 5. Darlene McLane cheers her sophomore team on. 6. He may look like Tom Cruise to you, girls, but he's really Steve Tait. 7. "I think we're on the wrong side!", yells Susan Fischer to Suzie Straffon. 8. "We should get paid for this," says Gina Bruno, Kathy Jones and Jennifer Kessler.

The Walls Rise During Mardi Gras

The building of the class wall is one of the major events that takes place at Northern during Mardi Gras week.

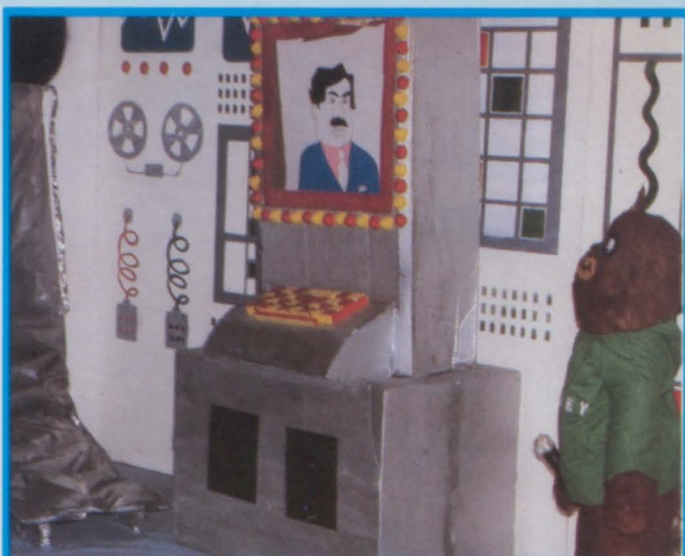

The entire student body votes on one general theme that each class wall is to be based upon. The topics that the students had to choose from were: Walt Disney Movies, Horror Films II, Comics, Saturday Morning Cartoons, and Foreign Countries. The theme for this year's wall is Saturday Morning Cartoons.

The fun starts as soon as the theme has been decided. Each class has to find a willing classmate who will allow the wall to be built at their house. As each grade struggles to build their wall, they are all hoping that their ideas are the

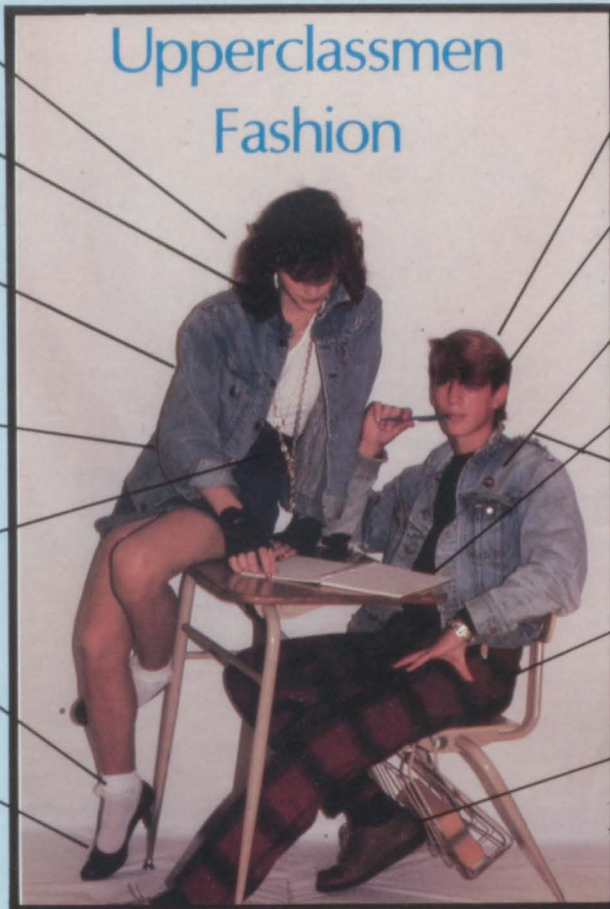

most original. These ideas also have to pass the regulations that are required for qualification.

The major rule for the building of the walls is that everything must be made by the students themselves. After the walls are finished, they are judged by people from the community who do not know which wall belongs to each class.

This year the Seniors came in first place, with the theme "Looney Tunes", capturing the barrel. Juniors took second place with "The Flintstones" followed by the Freshman wall of "The Shirt Tales." The Sophomores' "Chipmunks" ended up in fourth place.

The Preparation

Before any athlete faces his competition, he must go through training and all the necessary preparation. There is more to the preparation before a game than just the physical training and having one's body in shape. There is the mental aspect also, and that plays a very large role in any athlete's performance. The preparation really depends on the individual and varies from the type of person who gets really hyped-up in the anticipation of his sport, to the athlete whose mental preparation consists of a lot of self-discipline and devotion. The weeks, months and years that many athletes spend preparing themselves takes severe determination. The time-consuming, often gruelling hours spent doing sprints, running distances, jumping rope and lifting weights becomes a way of life for many athletes. The training is building more than just muscles. Practice builds self-assurance. The self-confidence an athlete has in himself is vital to his performance. A positive attitude is essential. Many athletes look back on their previous games remembering their weak points and try to improve their strengths. They visualize the game ahead of them and try to mentally prepare how they will react under various circumstances; by having already "played the game," a certain confidence is established. Many athletes are superstitious and believe strongly in lucky charms. Some

feel that by wearing the same "lucky" pair of socks, shorts, what have you, they maintain that winning streak they believe was brought about by wearing those items.

The physical training itself is often an athlete's way of psyching up. For some, the preparation becomes a total preoccupation. They walk, talk and think of nothing but their game, match, bout or tournament. Living with the other team members, the preoccupation is multiplied. Each athlete talking about what competition is ahead is a big part of the pre-game mental preparation. When a goal is set, it gives one something to strive towards and work for. Ah, the sweet smell of success! However, to win, someone must lose and there is always the possibility of being injured. These feelings must be surpassed and pushed to the back of one's mind. An aggressive "all out" attitude must prevail. The fear of defeat can have a positive effect by becoming a motivator and a real driving force. No one likes to lose, to let down the fans, the team and most of all, oneself. One of the most frustrating feelings an athlete can experience is when they have lost control. To put everything in, both physically and mentally, and have it not be enough, is one of the most aggravating and frustrating moments for any athlete. Losing is part of

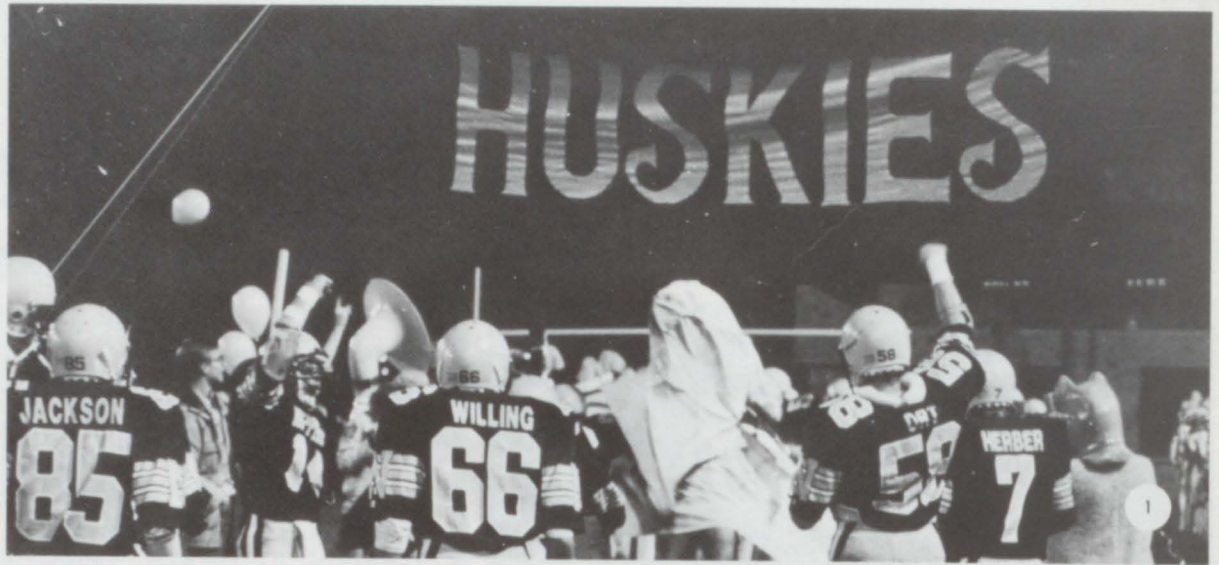

the game. The long hours, the sore aching muscles, the cramps, shin splints, special diets and drained hopes are all part of the sports we play and the price that some must pay.

As mentioned, the athlete's attitude before a game is as important as the many hours of training invested. Whatever it takes to increase confidence and get the adrenaline going. Many different aspects of preparation are taken. For some, the key is to "look good, feel good." New or special clothing, whether it's a new tennis shirt or a pair of athletic socks can often make you feel good and perform better. Getting to "know" one's equipment is also important for many people. Athletes are sometimes seen wearing their mouthpiece hours before it's necessary or subconsciously twirling their racquet in their hand while in a deep mental state. These athletes are getting in touch with their equipment and with themselves. Many athletes choose to be alone before a match. Others enjoy music as a psych-up.

Athletes can practice head fakes, sprints, running up and down the stairs or test their physical strength against one another in a group. The best of athletes must also practice their psych-up. They must have their mind in shape also. The mental preparation and conditioning requires a personal workout.

FOOTBALL

Better Every Year

The Varsity Coaches believe that this year's football team has improved since last year. They are one step closer to being a winning team.

Coach Woods, Rutkofske, and Nesbitt are very proud of the players. Coach Rutkofske said he hopes that the players have learned that the best things that life has to offer comes to those who have the patience. The team really worked hard to be winners. The team's attendance at practices has been the best ever this year.

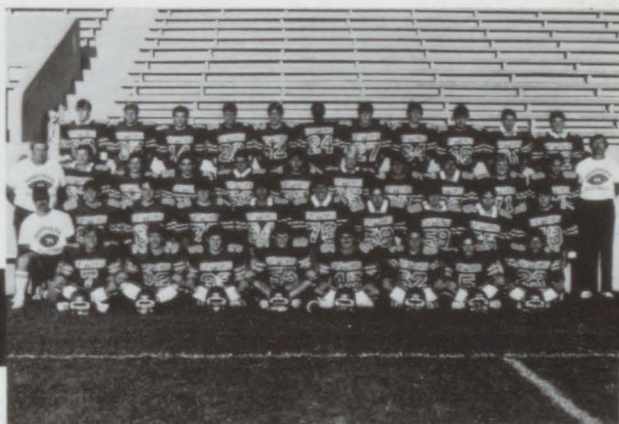

Kurt Fritz was honored with the Most Valuable Player award. He was also awarded an EML award for 1st all area Defensive Back. Chris King was awarded the EML, 1st Offensive Receiver. Brian Austin was the team's Best Offensive Back. One of the team's captains Kurt Fritz told us that two problems the team had was size and lack of experience, "But we do have outstanding enthusiasm which makes up for this." Team Captain Brian Austin said "In winning a game, he thinks the fans' support really helps. Their encouragement helps the team get "Psyched Up" for the game."

The season record was 2 wins and 7 losses. The team defeated Anchor Bay by a score of 27-0 and Roseville 21-20.

We all wish the team "Good Luck" for next year.

J.V. FOOTBALL

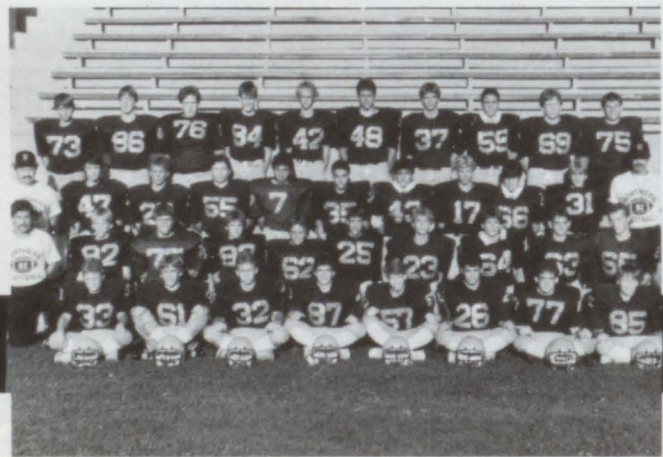

A Fundamentally Sound Team

The Junior Varsity team this year started slow, then put 4 straight wins together, before stumbling at the end. They narrowly lost their last two games, after some key players were called up to the varsity. The team posted a five win four loss season and are looking forward to varsity play next year.

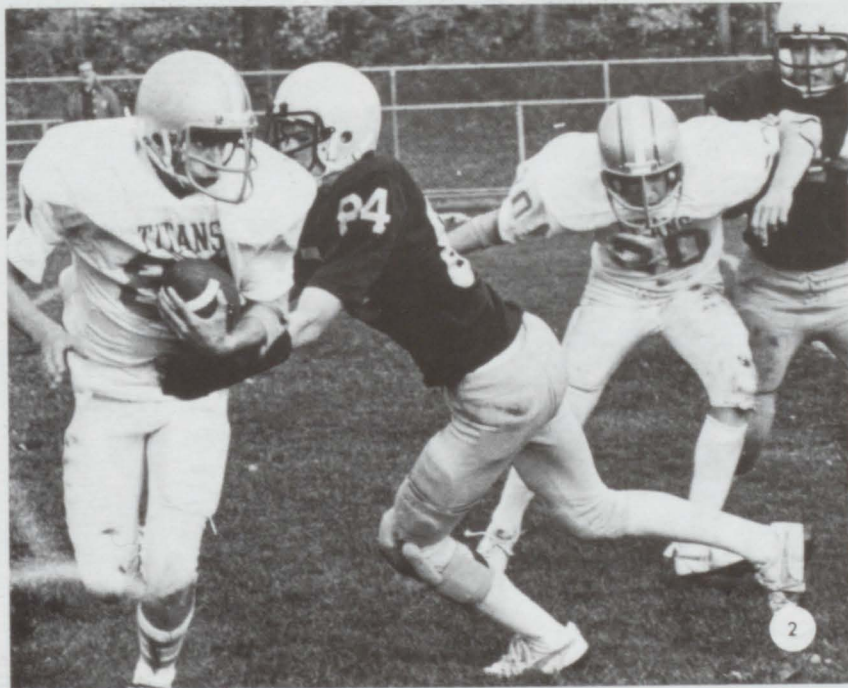

This year's coaches were head coach Mr. Robert Elliott, and assistants Mr. Pool and Mr. Stewart. The coaches felt that this was a very fundamentally sound team and should combine with next year's seniors to make a very strong varsity unit. The team is confident that with inspired varsity coaching that they should bring the EML title back to Port Huron Northern this coming season.

FRESH FOOTBALL

What a Future

The freshman team had a very successful season this past year, posting a 7 win 2 loss record. This was the first time that the frosh team has had 7 wins since the 1978 season. Last year's freshman team had a 6 win 3 loss season. When these two squads are grouped together in two years the Port Huron Huskie fans should expect nothing short of a league championship.

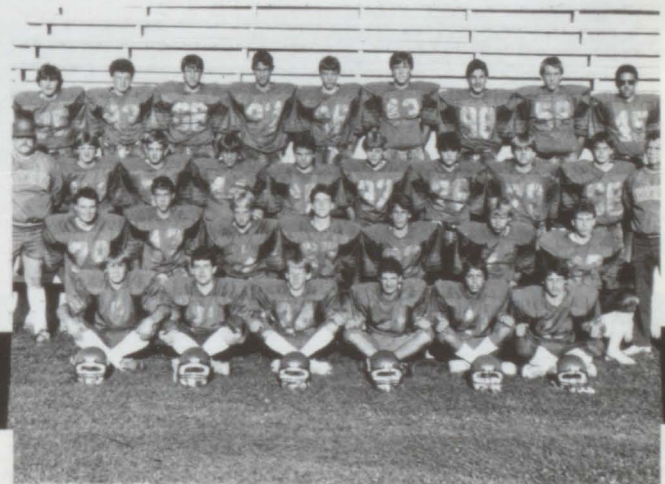

This group was coached by Dan Hanton, Richard Baker and Jim Bates and their goal was to develop these players to varsity caliber.

The Frosh squad scored 45 touchdowns this season as they were led by Todd Morgan with 18 touchdowns and 1462 yards. Mike Emerick followed with 13 touchdowns and 652 yards. Henry Miller also contributed 7 touchdowns to this fine team effort.

Defense was the freshmen's motto as they held their opponents to 8 points per game and posted 4 shut outs.

1. #7 Henry Miller is passing the football to #17 Mike Emerick as they head for a touchdown. 2. #44 A. J. Foltz tries to get past a Titan while #84 Chad Warwick is tackling a Titan.

Second in E.M.L.

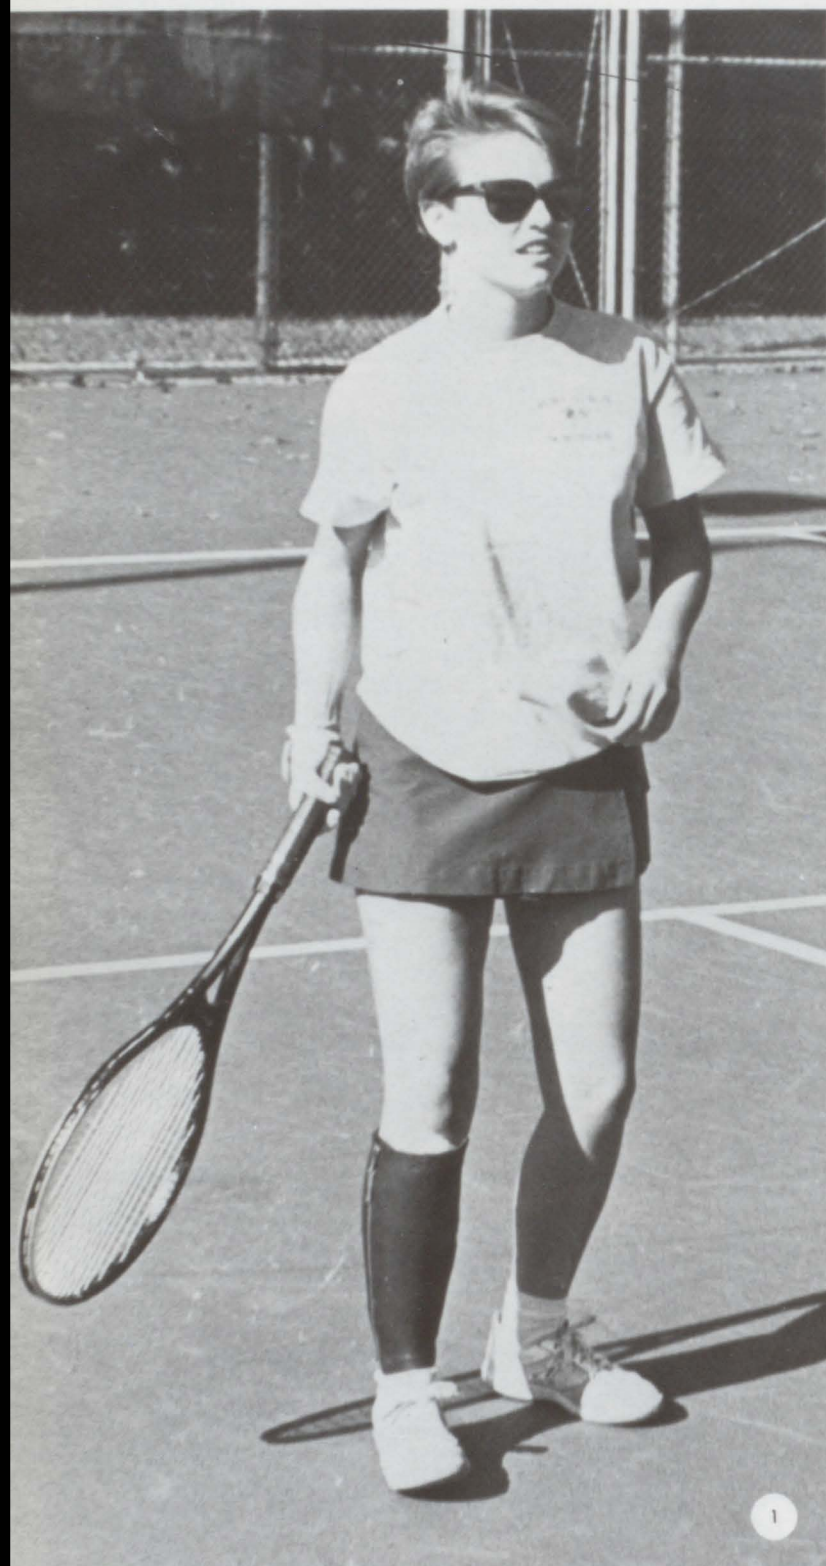

This year's golf team had a successful year finishing second in the E.M.L. with a record of 8-3 under the first year coaching of Mrs. Lyszak. The golf team had an over all record of 11-5. Special awards given to the 1984 team included the E.M.L. all-academic team. Kevin Smith, Mike Motte and John Sullivan were members of this team that was made up of Seniors who had a 3.0 grade point average or better for four years of high school. Members of the E.M.L. all-league team were Jim Carey, Steve Smith and Matt Yanik. The E.M.L. tournament team which included the five lowest scores recorded at the tournament were Matt Yanik with an 80 and Steve Smith with an 83. Steve Smith was voted by the all area coaches to be on the five man all-area golf team. The returning players on the team are looking forward to next year's competition and they hope next year's team will be as successful as this year's if not better.

State Finalists Again

The varsity tennis team went to the state finals for the third year in a row. The team again proved that they were one of the best teams in the state by placing 2nd at the Mt. Clemens Regionals and qualifying for the state finals at Midland, Michigan. The team won 5 points at the finals to make them the 17th best team in the state in class A competition.

The team had a somewhat sub par regular season with a 7 win 6 loss record. Two disappointing losses came at the hands of Port Huron High who had never beaten the Huskies until this year. The identical 4-3 losses were heartbreaking, but the revenge at the regional was very sweet as the Northern netters squeaked by P.H. for 2nd place.

The Junior Varsity squad had an average season winning 6 and losing 6 while playing very tough competition.

This year the teams were coached effectively by first year coaches Frank Sharpe - varsity, and Bill Roppoch - junior varsity. The two new coaches were responsible for introducing new techniques and confidence to inspire the team to a strong finish.

We'll run miles for *Spirit* Cross Country

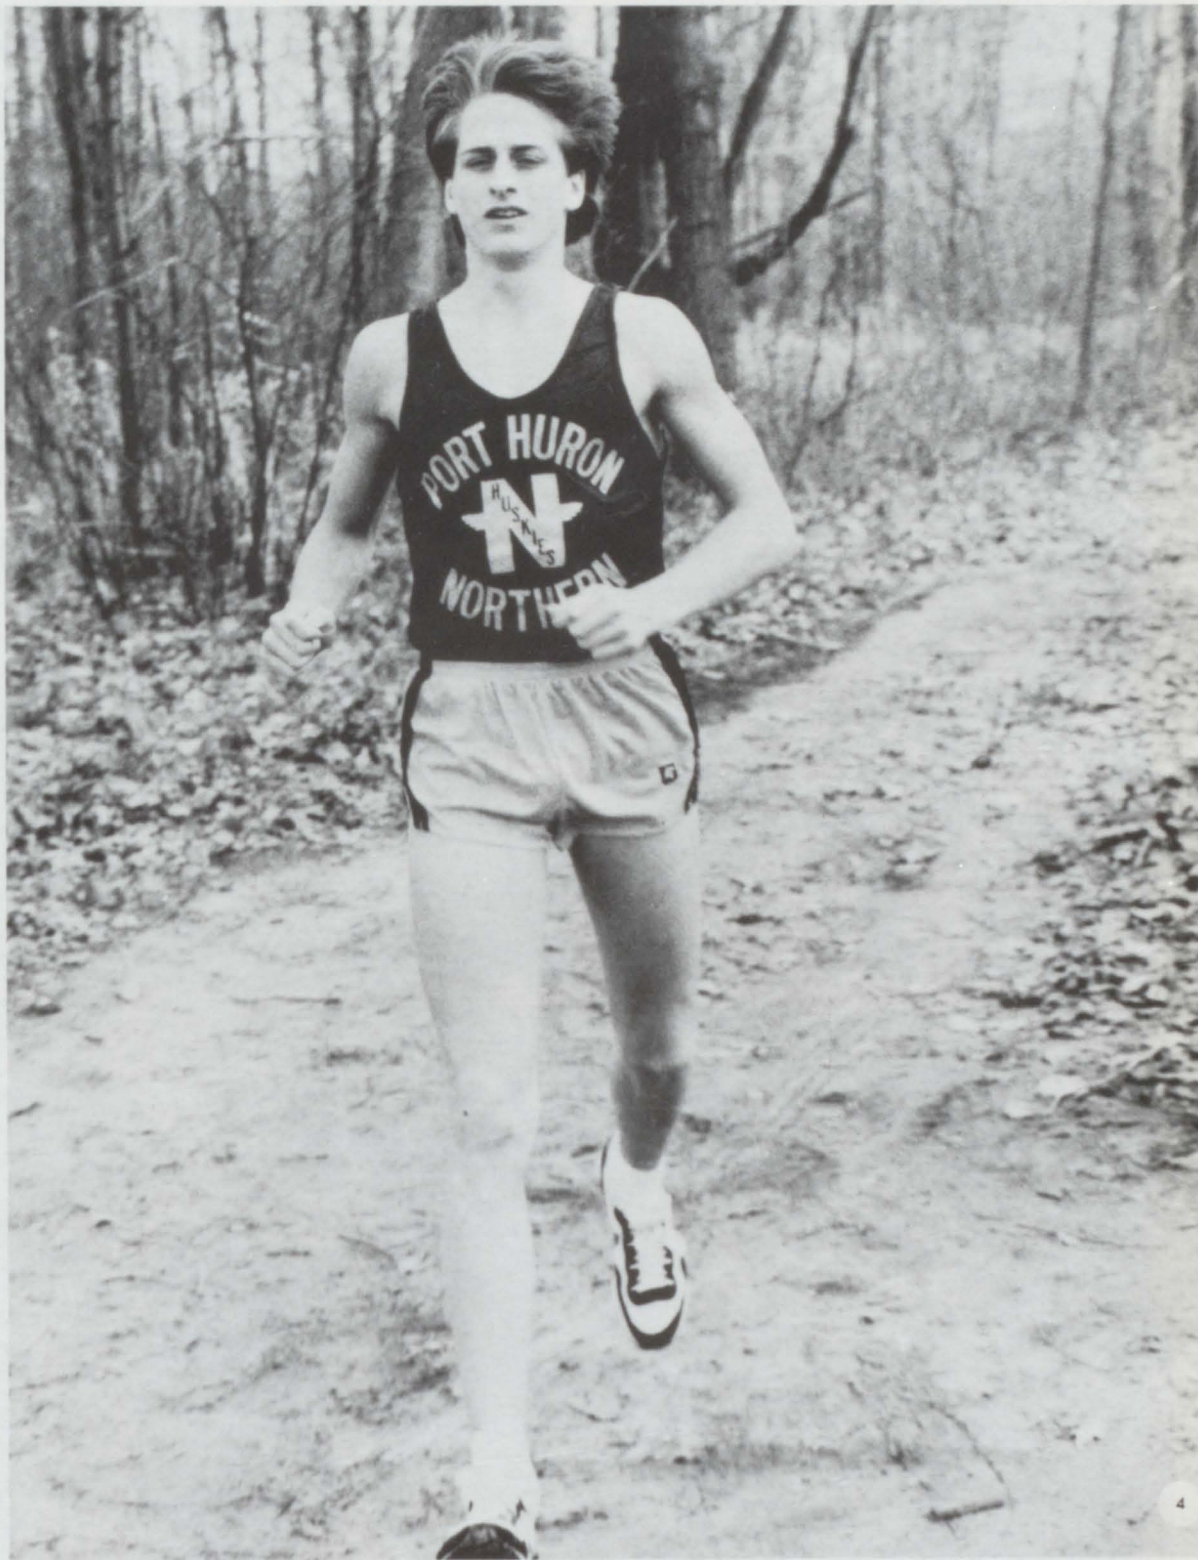

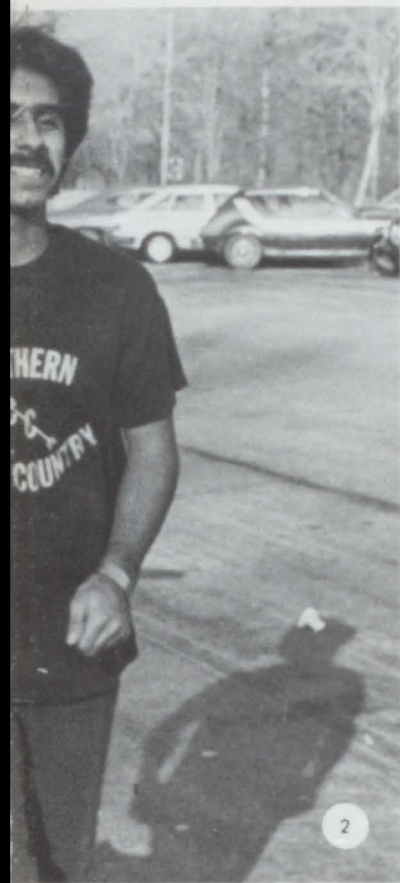

The 1984 cross-country season marked the first time that the sport was brought back since sports were abolished in 1980. This year's cross country coach was Mrs. Joy Buhagiar. With a lack of early notice for the revival of the sport the turnout of athletes was very small. After a week of practice there was no girls team and only nine participants for the boys, which is just barely enough to have a team. The season got off to a great start but as they came up against the more experienced teams they fell short, although not without a gallant effort. Their 3-4 EML record gave them respect as a new up and coming team, with five lettermen leading the way. Tom Miller was co-captain and was voted most valuable player. Next year promises to be a great season, however, if this is to happen, girls as well as boys, must get out and participate in the sport. Anyone who goes out for cross-country next season will find the sport different, and truly an experience any runner should not bypass as a school sport choice.

Improvement Shows!

As the basketball season fell upon us, Northern returned three senior starters to this year's varsity basketball team. Captain Chris King was last years leading scorer with a 13 point average and was EML's honorable mention, also. Six-foot-five Scott Obertein started at center for the Huskies. Scott had a shot at breaking Brad Bates (1977) rebounding record of 668. Kurt Fritz started at point guard and was co-captain along with King and Obertein. Senior Todd Woodley last years second leading scorer met eligibility requirements second semester and added a scoring punch for the Husky squad. Six two, junior Jay Gillespie, one of Northern's better shooters started as guard. Gillespie led the 83-84 junior varsity in scoring. And Senior Keith Ellis Northern's most improved athlete, added his 6'4 height to the Husky lineup. Other players that received playing time are (all juniors) Jim Foltz, Matt Yanik, Travis Woodley, Charlie McCorkle, and Pat Carey.

BOYS J.V. BASKETBALL

J.V.'s Show Improvement

This year's J.V. basketball team was a dedicated, enthusiastic, hard working group of young men whose ambitions were directed toward becoming a good Varsity Basketball team. Coach Nesbitt set the goals for our J.V. basketball team this past year. The team goals were to learn good strong offensive and defensive game fundamentals while improving their general knowledge of the game. Coach Nesbitt and the team worked toward ending the season above the 50% win/lose level . . . perhaps even number two in the League. Fred Burgess, guard; Chris Carlisle, forward; and Dave Mercurio, center; developed into a firm core of strong leaders.

Fred Burgess fast became one of the high scorers while Dave Mercurio was certainly the outstanding "Big" man of this years Junior Varsity basketball team. Steve Marcero's quickness gave the team a strong point to rally around. Spark plugs — Fred Burgess and Chris Fritz kept the team morale and spirit high even when the going got tough.

Coach Nesbitt's starters Fred Burgess, Chris Carlisle, Chris Fritz, Dave Mercurio and Rob Patterson led the team to one of the outstanding victories this season in the 59-51 win over Lutheran North. The team demonstrated their ability to play sound defense while also playing a high scoring game.

Freshman Season Gives Hope for the Future

The Freshman team had a good start this year, they won 57-50 against St. Patrick, a team from Sarnia, who had a record of 12 wins in 15 games.

The coach, Mr. Miller, said, "This Freshman team will become a fantastic Varsity team if they keep up the good work, the positive attitude and they receive more game knowledge." "We have a good defensive rebounding team," stated Coach Miller, "but we still need to work on our shooting skill. Our goal is to break even with our record. If we do this we will have had a very successful season."

The leading players are Lee LaVere (center), Mark Hanton (guard), Mark Collard (forward). Lee LaVere was also the scoring leader on the team.

Wrestling Is Back!

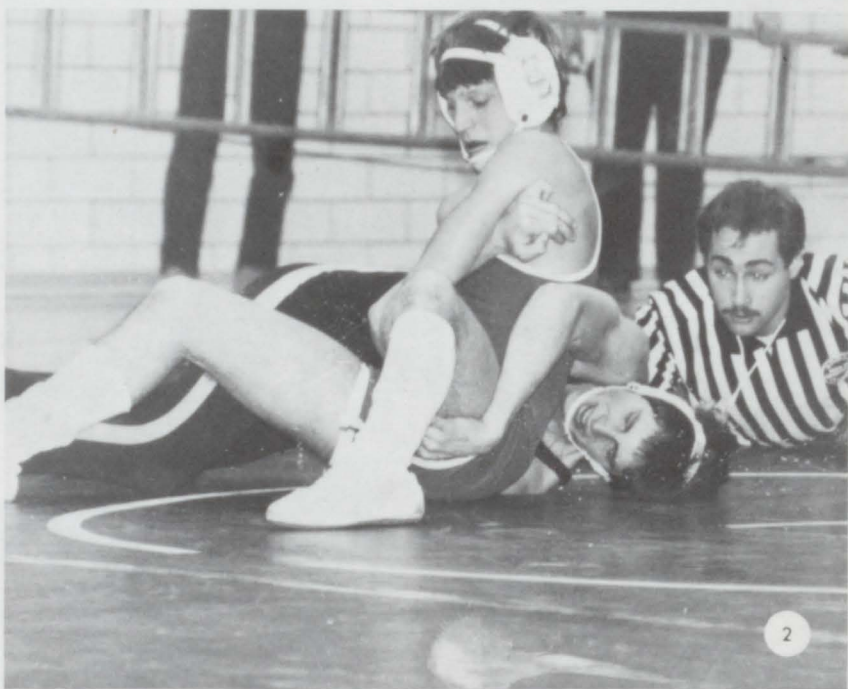

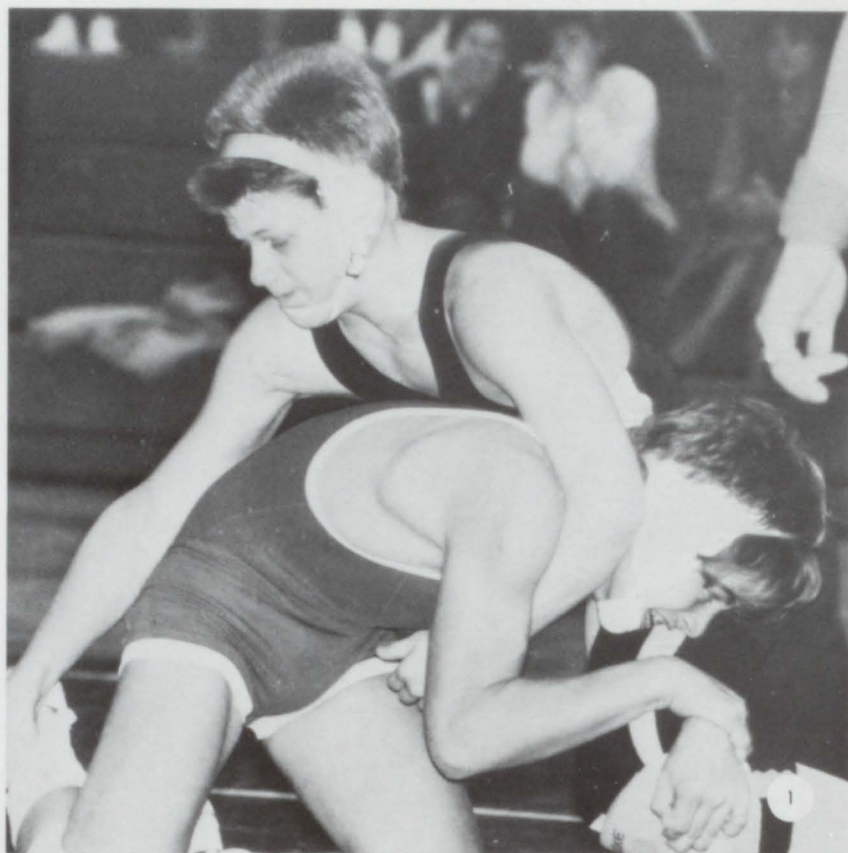

Port Huron Northern offered wrestling this past year for the first time in five years. Although the beginning of the season was difficult for the Huskies, their attitudes were ones to be proud of. The coaches feel that 1984-85 had been a time for rebuilding. In the beginning the coaches expected hard times for the team, but they feel that the group shows great promise for the future.

Paul Groff, captain of the 84-85 team, felt that wrestling is one of the toughest sports to participate in because it takes individual strength.

As the season progressed, a lot of determination and hard work was spent making a stronger wrestling team. Members of the team felt that practicing every day after school for 2½ hours was worth it. Others on the team feel it was a great experience and will pay off in the years to follow.

BASKETBALL

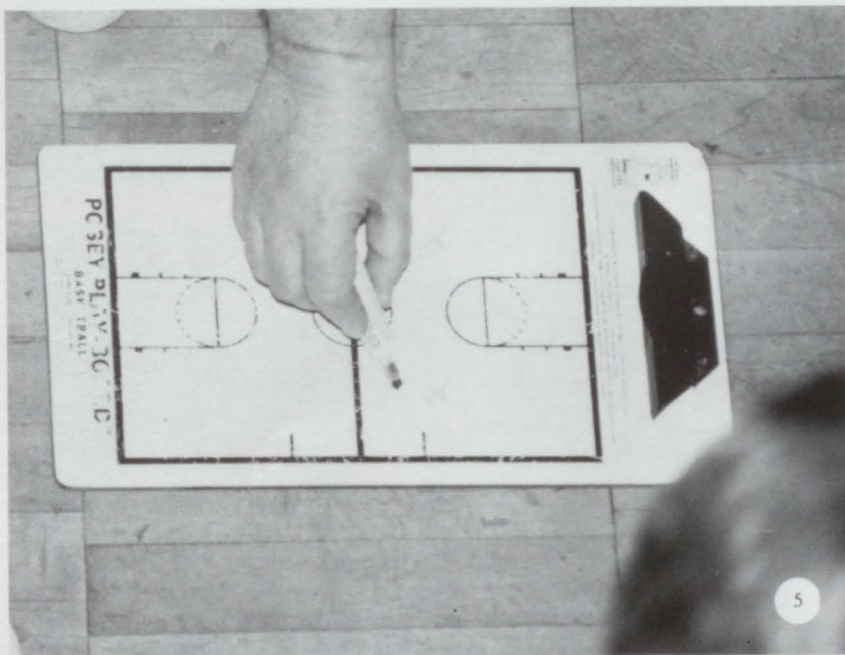

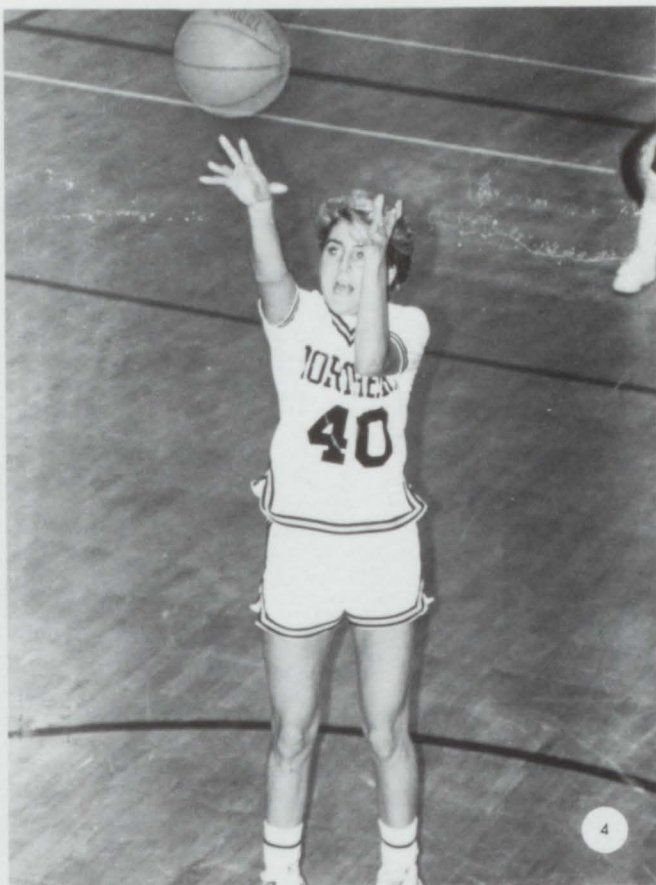

Has *Spirit*

1984's varsity team only had three players return, two of which were the captains, Denise Frost and Joanne Schaeffer. The team's lack of height was off set by playing with excitement. The inexperience was overcome with pride, Huskie spirit and a never seemed to give up attitude. One of the goals the new varsity coach, Mr. Vettese, set for the team was to improve the scoring from last year.

This was accomplished by the team improving the team average by 4 points per game. In addition, Joanne Schaeffer established two new scoring records — individual season record of 373 points and individual career record of 653 points. This is the third year she has been voted as most valuable player. This year's team highlights began with the Huskies outscoring tough Cros-Lex by almost doubling the score, 49-25. The team's defense was led by Joanne Schaeffer with 19 rebounds — a new Northern record, she also had a career record of 423 rebounds. The Huskies' second win came in a close match against Grosse Pointe South. The game's star player was again Joanne Schaeffer, setting a new school record with 44 points in an individual game. The last win of the season came at home against Marine City, despite the loss of Laura Elliott, the spark plug and best defensive player. The team won 53-45. The district tournament loss ended the Huskies' season at 4 wins and 17 losses. We hope this year's basketball spirit will be passed on to the coming teams.

J.V. BASKETBALL

Moving Up!

Northern's J.V. team, with its twelve freshmen and three sophomores, improved a lot during the season. The team was led by captain Corrine Becigneul, who was also the highest point scorer with 141 points. Forward Stacie Schoenberg did a good job underneath the basket while Jeanne Beauchamp was the starting point guard.

First year coach Lynn O'Dell inspired the J.V. to many good games this year. Their overall record was six wins and 14 losses. A victory against Cros-Lex was a high point of the season, after losing the first game by one point, the young J.V.'s came back and got revenge by winning by two points. The team also got even with Port Huron High's Big Reds when they lost the first game by six points and came back to win the second game by exactly the same amount.

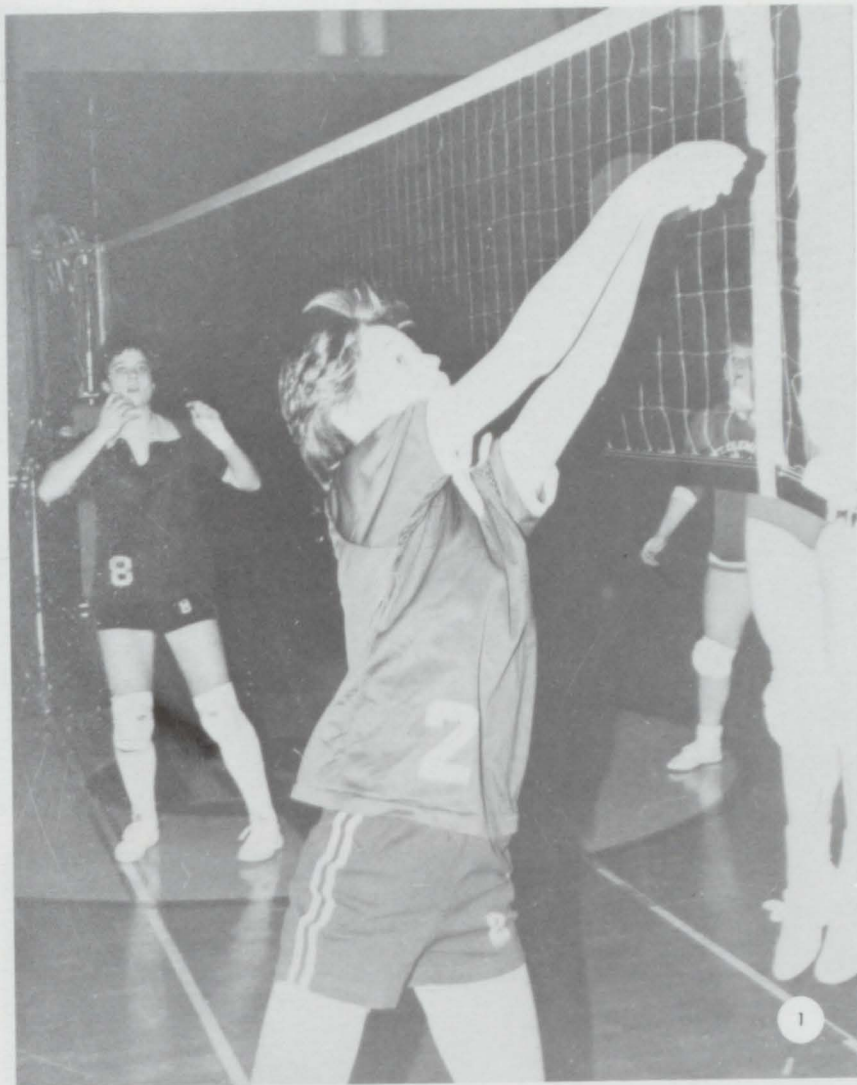

The team showed improvement by winning their last two games. They defeated Marine City 33-32 and they beat Roseville 44-35, in the final game of the season. This was another team to which they had lost the first time around. The fifteen girls on the J.V. had excellent attitudes and great spirit which continually showed in their support for the team.

J.V. Develops Teamwork

Learning the basic fundamentals of bumping, setting, and spiking is what the Junior Varsity Volleyball season was all about. Individual skills and talents were developed as a result of the teams cooperation and desire to win. This year's J.V. team was coached by Miss Lynn O'Dell. She is very proud of her team for what they have accomplished and is very excited for them. Their winning season is a result of the positive attitude that the girls uphold. The captains for the team were Jenny Howard and Sarah Engelgau, they both did a fine job in giving the team the spirit they needed. The players of this years J.V. team will be a warm welcome for the Varsity team in the years to come.

VOLLEYBALL

Don't Let Down!

Volleyball is an exciting sport, and the girls at Port Huron Northern are excited about it. The coach of this year's Varsity team, Mr. Davey, has been coaching Varsity Volleyball for three years. He felt that this year's team showed a lot of spirit, intensity, hustle, and proficiency. The confidence and spirit that the team had in each other helped them accomplish many things faster than they had expected. One of the highlights of the season was the win over the tough team, L'Anse Creuse North, with the scores of; 10-15, 15-3, 15-13. There is something special about the team, that is, if there is a mistake that occurs it is not taken out upon just the one individual, but upon the whole team. Hard work and determination is all anyone needs and that's what this team had. This year's captains were Ann Harrington and Jeanie Schaft. Both girls helped each other in helping the team work together and to uphold their confidence.

A Super Team, A Super Season

High school hockey has been a stranger to Port Huron Northern for the past five years. During the 1984-85 school year the Huskies were able to come back with an extremely successful season. The team had an amazing average of 17 goals per game.

Both Coach Bill Murray and Coach Bob Mattson worked hard in putting the team together, and are proud of the seasons outcome.

Northern's success was not due only to one or two players, but was a result of all seventeen players working together as a team.

The fans support during the year was also a plus for the Huskies. A group of students was formed within the school called the E.U.R. (East Upper Rowdies). The members of this group were present at every game to cheer on the team.

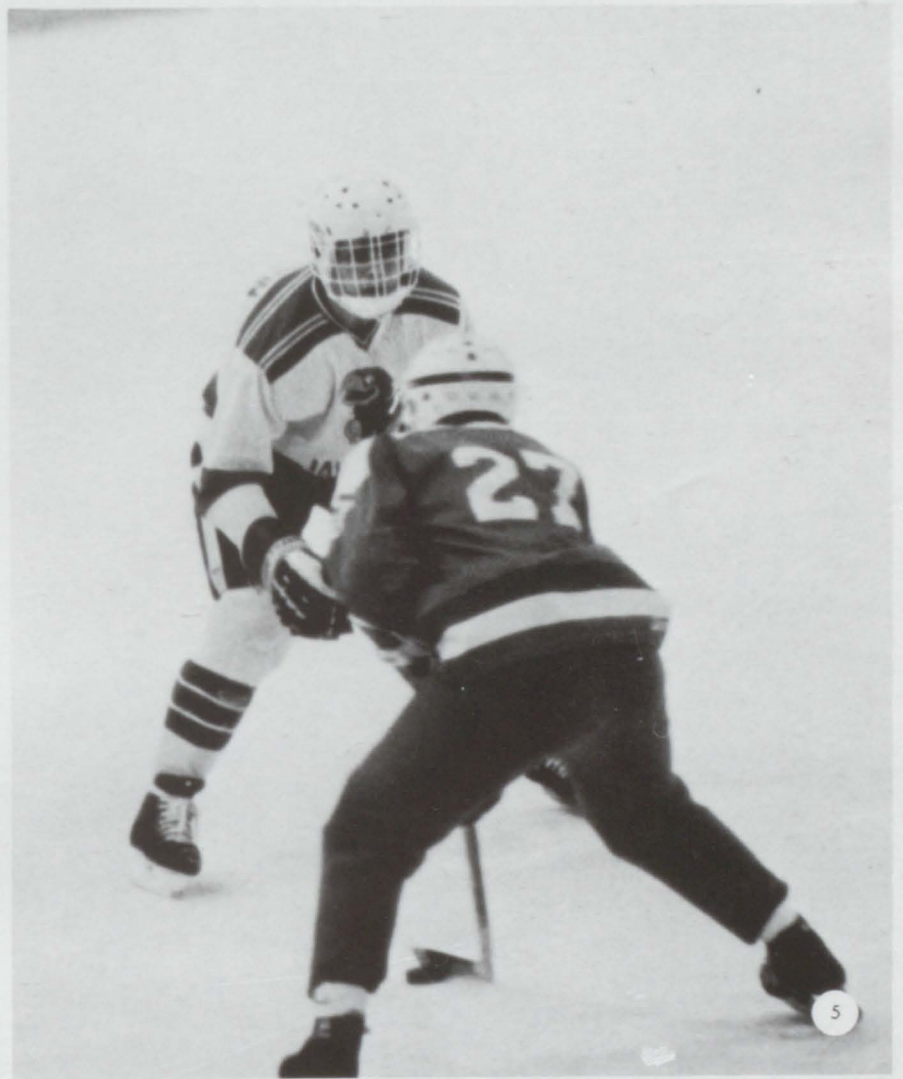

When asked how they felt about hockey returning to Northern, students said things like, "I'm glad, because hockey is a good sport and we have a great team!" and "I enjoy going to the games with my friends. They are really exciting!"

HOCKEY

Running for Victory

Port Huron Northern has traditionally been known for its strong spring sports program, and this year was no exception.

The men's track team this year posted an excellent 8 and 1 dual meet record, and won many awards for their achievement in various meets. They out scored their opponents during the year 825 to 427 total points. While competing in the big meets they captured the Husky Relays Championship. They also finished 2nd at the Port Huron Northern Invitational, and 2nd at the Class A regional meet. They also finished 2nd at both the Eastern Michigan League Meet and the Marysville Invitational.

The team was coached by Mr. Pete Woods and his assistant Dana Pool. Receiving special awards this past year was Todd Jackson, who captured the Times Herald Invitational 2 mile Championship in 9:49.1; Durand Ashford, who came in third in the long jump with a jump of 20' 5½"; and John Fleet who pole vaulted 12 feet.

GIRL'S

Running High

The 1984 girls track was a team that worked together and strived for their goals. Last year's team being quite young and inexperienced left room for the hope of a better and successful season for "84." Throughout the season while improving overall and gaining the experience that was needed they ended up 5 wins of their 14 meets, while tying one. This year's captains did a good job in upholding the team and giving them support where it was needed. The captains were Lori Gorinac, Mary Wykoff, and Marge Hayden. The 3 captains along with the entire team helped to make this season record breaking. In the 3200 meter relay Marge Hayden, Joanne Schaffer, Kris Spillard, and Sarah Henderson broke the old record with a 10:37.3. Mary Wykoff broke the high jump record at 5'5. The 4kg. shot putt record was broken with a 30'6.5" by Patti Young and Kathy Jobbitt broke the standing record for the 100 meter hurdles with 15.95. With the effort of the entire track team they proved that with a lot of work and a little determination a lot can be accomplished.

VARSITY

Hail to the Champs!

Port Huron Northern continued its tradition of being a spring sports powerhouse. The Husky varsity baseball team posted an incredible 20 wins with only 3 losses. The team won the EML title for the second consecutive season.

Some of the awards won this season were: EML all league Jim Foltz, Tony Gates, Chris King; School records that were broken were: team batting average (.337), most runs scored in a season (197), most runs scored in a game (20 against St. Clair), most runs scored in an inning (14 against St. Clair), most RBI's in a season (179), most hits in a season (232), most doubles in a season (48), most homeruns (20).

The only setback to this outstanding season was a pre-district upset to the hands of Port Huron High 6-2.

The team was coached by Larry Klink who won Co-Coach of the Year in 1984. Congratulations Mr. Klink and the varsity baseball team for a job well done.

Junior Huskies Get It Together

Cruising to a successful season, our Junior Varsity Baseball team posted fifteen wins and five losses, (eight and four in the Eastern Michigan League.) To what did the team attribute its success? Having a great coach, Jeff Wiley, mixed with the right amount of discipline. A part of the reason for their terrific season, though, was the team's depth and hard training. Leading hitter Travis Woodley pounded the ball all season, while pitchers Charlie McCorkle, Rod Shagena, and Michael Kelly all mowed down the opposition. Mike Kelly added a batting average in excess of .425. They had great offense and defense. When they needed to score, they did. Travis Woodley and Jeff Mosurak, team captains, led the team in enthusiasm. The season ended with a game against cross town rival Port Huron High School. With another victory over P.H. by the score of four to two, the Junior Varsity Huskies were proud of their successful season.

J.V. SOFTBALL

The Pride of the Future

The 1984 Junior Varsity Softball team was coached by Mr. Vettese. He feels that the J.V. team did quite well considering that all but four members on the team had never played high school softball before. Although the team completed its year with a record of seven wins and eight losses, the won-lost record does not show how the girls have played. Many fine games, pitched by Alison Engen and Maureen Flanigan were successfully won. Also, Jackie Humphries, who played short stop and had one of the best batting averages, was voted the most valuable player. Although rookies, this year's team did exceptionally well. "Having self-confidence is a main part of the game," commented Coach Vettese. But self-confidence was hard to come by at times. When someone makes a mistake they lose confidence in themselves. Therefore, the team was thankful for Coach Vettese's help in reassuring them when they were down.

VARSITY

A Winning Season

The varsity softball team after several losing seasons turned the corner in 1984. The varsity posted 12 wins and 10 defeats and had an impressive 9 wins and 5 losses in the EML. The team started off slow, but finished very strong, winning 10 of their last 14 games. This strong finish included two impressive wins over Grosse Pte. South, a 9-1 win over Port Huron High and two strong wins over Mt. Clemens. The team was led by Kris Schlautmann, Denise Frost and Kris Pettengill. Special awards went to Kris Schlautmann, most valuable player, most improved player was Shelly Betts, Kris Pettengill received the coaches award and Denise Frost received the Gold Glove award. The team was coached by Mr. Ron Davey, who is enthusiastically looking forward to the 1985 season.

Activities

Student Council Has the *Spirit*

Student Council here at Northern is one of the largest and most democratically run in Michigan. It consists of a representative from each homeroom. These people attend the weekly meetings and vote on issues and bills that pass through Council. A more recent bill was one that would arrange to have music piped through the halls from 7:30 am to 8:10 am. The Council will also discuss other prominent issues such as the recently formed Drug Task Force and what can be done to support it. This year Student Council has a new group entitled SADD (Students Against Drunk Driving). This chapter is helped by Council by supporting events such as a Hot Line throughout the holiday season. Another recently formed organization is the EUR (East Upper Rowdies) which is designed to promote spirit at our athletic events. Representatives report these and many other items back to their homerooms for discussion.

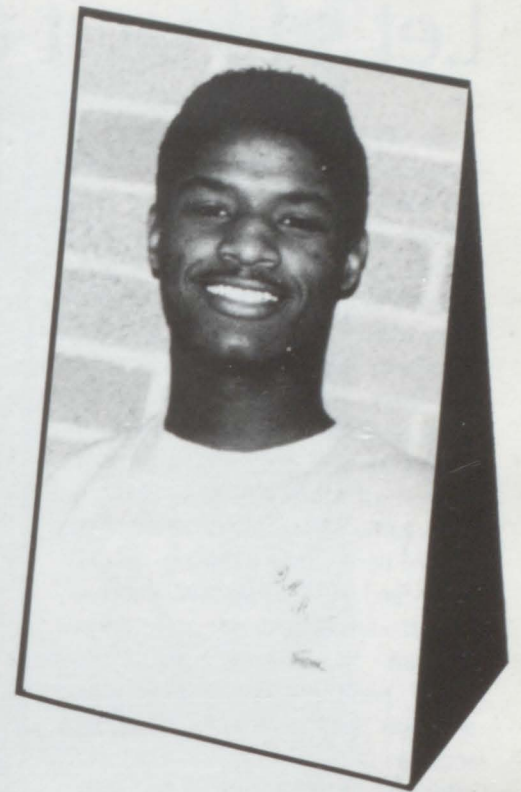

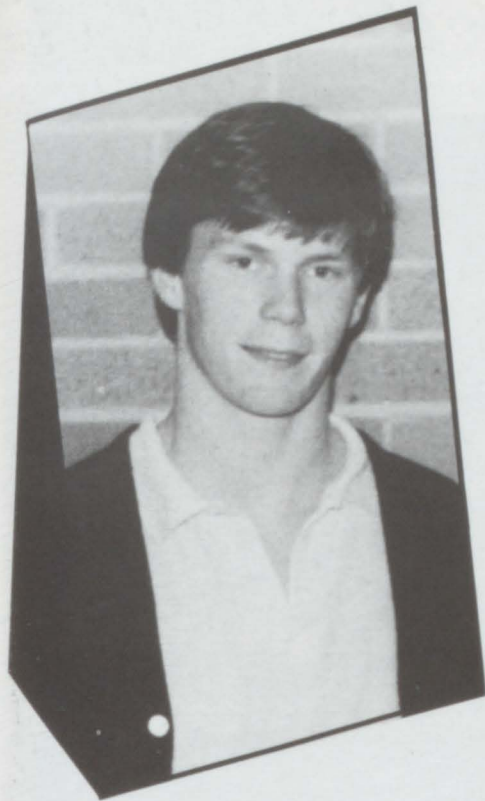

The backbone of Student Council is the Executive Board. This 21-member board meets once a week in addition to the regular Student Council meetings. These people go over what is to be discussed at the upcoming meeting. This private Tuesday morning meeting helps keep Council running by keeping the board chairmen informed on what the other members and their committees are doing.

Some of the more popular events sponsored by Student Council are Mardi Gras, Snow Extravaganza, and the Magazine Sale. In addition to these, they also collect canned food for the Christmas season. The Council is also responsible for assemblies, dances and the candy sales.

A sincere thanks goes out to Mr. Richard Miller (Student Council advisor) for all his time and support put forth for Northern students.

Let's Hear it for the Band!

The 1984-85 school year was a busy one for the Port Huron Northern Band. They started off the year, before school even began, with a Band encampment at Camp Nissokone in Oscoda, Michigan. The days were long, and the work was hard but it gave them a good start on the busy marching season ahead. They performed at four home football games and presented a different version of their half-time show at each game. The District 16 Michigan School Band and Orchestra Association Marching Band Festival was held in Port Huron this year at Memorial Stadium. The Northern Band took home another First Division rating and was thrilled to have the highest score in District 16 this year. Shortly after the MSBOA Festival, the band participated in the Michigan Competitive Band Directors Association Lakeview Invitational and placed 1st in their class and 3rd overall! As a result of this fine performance, the band was invited to perform the exhibition at the MCBDA State Competition which was held in Plymouth, MI. During the fall, the band was also very busy with fund raising. To help meet the important goal they had set for the spring of 1985, the goal they set was \$15,000. The Sarnia Santa Claus Parade on Dec. 1 resulted in a Best Band trophy for the Northern Band, as they competed against many local bands. One of the most exciting events of the spring was the band's representation of Michigan in the Festival of States Band Competition in St. Petersburg, Florida, March 26-30. The band was invited as a result of their past accomplishments, and competed in two parades, a field show competition and a concert band competition.

Spirit Captured Forever

There is much time and dedication needed to produce a successful yearbook. Here at Northern this is accomplished through a class called SPIRIT. Many students who enter this class in the fall do not realize just how much of their time will be needed for this class. It is not just another hour of the day, SPIRIT requires hours after school or at home. There are many first year students who have to be taught how to make a layout, crop pictures, use yearbook terms correctly (yes, "deadline" is a yearbook term) and the student also learns to use their journalistic skills effectively.

Much time is spent in the spring when a theme is decided upon for the upcoming book. The "A Special Spirit" theme was chosen because we felt it exemplified the student's changed attitude toward Northern and many special features were added. Sponsored pages, the color section devoted mainly to the Seniors, the largest color section in the surrounding area (48 pages), less attention focused on academics, a lithograph cover, and our platinum anniversary are some unique and "Special" highlights of our twentieth volume.

Also at the end of the year, it is ideal to have completed a ladder diagram (a detailed page structure of the book), the spring sports, and at least half of the advertisement pages sold. The price of a sponsor page was \$50, rising to \$250, for a full page ad. The advertiser allows us to keep the price of the yearbook down (\$16.) and enables the yearbook class to create an exciting book.

SPIRIT is very unique in that memories of your high school years can be logged by a member of this class. It is a special feeling when an old yearbook is opened and you suddenly recall that memorable football game, a familiar teacher, or an old friend.

Leaders of Northern *Spirit*

L to R: 1. Freshmen Vice-President Pay Hoy, President Andrea Goldsworthy, Treasurer Pam Robinson and Secretary Yvonne Fawcett. 2. Sophomore Vice-President Pat Soule, President Sarah Sharpe, Secretary Kimm Massman, and Treasurer Mike Ellis. 3. Junior Secretary Chrissy Gibbons, Vice-President Cindy Miller, President Mike Wilhelm, and Treasurer Rhonda Houle. 4. Senior Treasurer Glenn Hummel, President Pat Staiger, Secretary Michelle Weiss, and Vice-President Jenny Madaus.

Senior President Pat Staiger — My fellow classmates, I would like to thank you for your support throughout this great school year, 1984-85. There have been some memories created such as deciding graduation colors, class song, and Senior announcements. I can also proudly include winning the Mardi Gras Barrel and Snow Extravaganza Snow Skis. My officers, Vice-President Jenny Madaus, Secretary Michelle Weiss, and Treasurer Glenn Hummel have made many helpful contributions. I hope your future is very successful. See you at the reunion!

Junior President Mike Wilhelm — As our year comes to a close, I would like to thank the class of 1986 for the opportunity to be your president. I also think it is important to recognize your other officers. As Vice-President, Cindy Miller has always been at my side and given me support. Secretary Chrissy Gibbons has kept a detailed log of all the 1984-85 activities. Our treasurer Rhonda Houle has also kept detailed records of the Junior class' money. Thank you for such a great year!

Sophomore President — Sarah Sharpe — My fellow Sophomores, I want to take this opportunity to thank you all for allowing me to perform the presidential duties for the class of 1987. I also would like to thank our other officers vice-president Pat Soule, secretary Kimm Massman, treasurer Mike Ellis. They have all done a magnificent job. Thanks to the class of 1987 for their support and contributions given to our class.

Freshman President Andrea Goldsworthy — The primary responsibility of the officers of the freshman class is to organize students from three junior high schools into one great class. Through efforts and hard work of the Freshmen, we have proved that our class could build a Mardi Gras wall that did not come in last place. Pat Hoy, Vice-President; Yvonne Fawcett, Secretary; and Pam Robinson, Treasurer helped me with the refreshment stand at several dances to earn money for our once empty treasury. Most of all, we learned to make friends and share responsibilities. In all, this has been a great year.

Striving for Academic Excellence

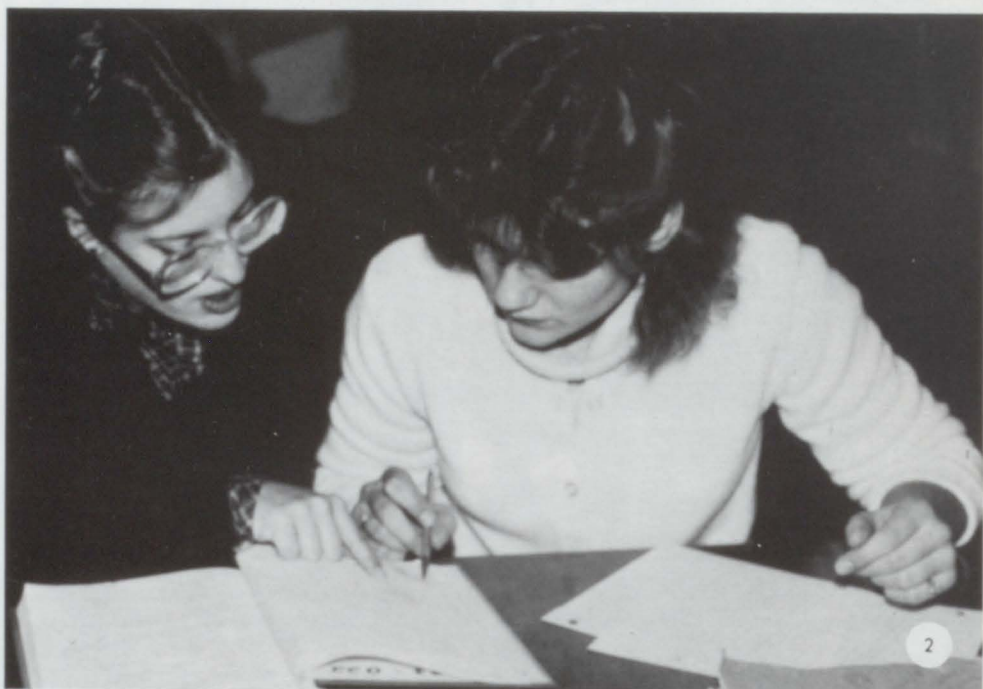

The National Honor Society is an organization based upon Character, Scholarship, Leadership, and Service. It is under these principles that students are elected to the NHS in the spring of their Sophomore, Junior, or Senior year. Northern's NHS consists of 46 members — 20 Seniors, 21 Juniors and 5 exchange students as Honorary Members.

Advised by Mr. Glen Pike and officers President Kris Marten, Vice President Dan Mitchell, Secretary Jennifer Madaus, Treasurer Beth Pencak and Historian David Lomansney, the group has participated in various projects. One of the Honor Society's major projects is the tutoring service provided during homeroom. This service is available to all of those requesting help. Other projects included writing letters from Santa to first and second graders, holding a luncheon for induction of the exchange students, and organizing the Scholarship Tea. National Honor Society has also participated in the "Statue of Liberty Restoration Project" through the Liberty Luau 1984 dance held last spring. Port Huron Northern's Honor Society has become a more visible part of the school during the past year and looks forward to being even more active in years to come.

Senior members of the Honor Society are: Margaret Basrai, Scott Beuschlein, Jeff Crankshaw, Kurt Fritz, Michelle Glenn, Clare Hickman, Glenn Hummel, Jennifer Madaus, Kris Marten, Jill McCandless, Sarah McCue, Pattie McNaughton, Tom Miller, Dan Mitchell, Beth Pencak, Kris Pettingill, Pat Staiger, Gordon Stanlake, Dan Wilhelm, and Cathie Wolfe.

Junior members of the Honor Society are: Angela Carr, Jennifer Curtiss, Bill Dunkle, Chris Ecarius, Dan Ecarius, Julie Gross, Jennifer Heck, Craig Hoetger, Sharon Hudy, Michelle Johnston, Tim Kovach, Kari Kreger, David Lomansney, Mike McGill, Candy McLean, Scott McVeigh, Lisa Perry, Ken Porrett, Kris Spillard, Michelle Vincent, and Chris White.

They're on Their Way to Success!

The Business Office Education Club is a vocational student organization for high school students who are enrolled in vocational business and office programs. BOEC provides for the recognition of individual members and chapters for involvement in a variety of programs designed to develop leadership and office skills. The club is made up of Juniors and Seniors who are presently enrolled in Clerical-Steno Block or Office Related class. Northern has had BOEC for three years under the leadership of Ms. Pat Knapp. The officers for this year are: Lori Baker, President; Shelly Haynes, Vice President; Brenda Nalanga, Secretary; Cathy Cuthbertson, Treasurer; and Leslie Goudreau, Historian. Approximately 20 students a year have gone through the club. On January 19, 1985, BOEC members attended Baker Junior College in Flint to compete in various areas of office careers such as: Clerk Typist, Receptionist, Typist Spelling Team, etc. The club has sold over \$3,000 in Christmas items for their fund raising project for this year. BOEC is a great program designed for learning, but at the same time having fun.

Let's Hear It For The *Spirit* Makers!

Cheerleaders spend all their time jumping up and down on the sidelines. Right? Well, no not really. Being a cheerleader involves lots of time, expense and just plain hard work. Two hour practices are held each Tuesday and Thursday. During football season, Friday nights are spent cheering at games. During basketball season three nights a week are reserved for practice. Most Saturdays are devoted to fundraising activities and clinics. For instance, on Saturday, October 28, the squad taught cheerleading techniques to other teams from around the state at the local Y.M.C.A. November 6 found them at Saint Mary's School judging that school's junior high school cheerleading hopefuls. On November 12, they taught tryout techniques to students in Yale. On December 9, the cheerleaders sponsored a school dance as a fundraising activity. Northern's cheerleaders participate in many charitable donation drives, also.

The experience is a fun way to participate in school activities despite the sore muscles and cold days. You can ask any cheerleader and she will most likely say, "My high school years wouldn't have been the same without it. I've met many new people and shared many happy times with friends."

Kicking High On *Spirit*

The Northstars is a drill team at Port Huron Northern. They perform at many home basketball games and several pep assemblies throughout the course of the year. Many people hear the words "drill team" and have no idea of what that means. For those people here's a quick definition: drill team is a group of girls (ninth through twelfth) that practice three times a week after school for two hours to learn and perfect dance routines. The team performs at two major competitions each year in November and March. This year the team set its sights on attending the Grand National competition at the state level with hopes of placing high enough for national competition. During the summer of 1984 the girls attended Badgerette Summer Camp at Central Michigan University, Mount Pleasant.

The Port Huron Northern Northstar Drill Team is a class act that is truly enjoyed by all the fans at the halftime activities. Each member should be commended for their fine work.

1. This year's drill team consists of: Robin Taylor, Trudy Soehren, Tina Scancelli, Denise Shans, Lorinda Strong, Kim Howison, Kim Edie, Shellie Hinkle, Jennifer Thornsberry, Karen Chidester, Kelly Leslie, Kristy Grabbitt, Beth Hutchinson, Kim Bostick, Stephanie Jurzysta (co-captain), Dawn Kinney (captain), Kathy Grabbitt (first lieutenant). 2. Got Cha! In Photography

The one semester course dealing with photography at Port Huron Northern provides the basic physical and photochemical theory essential to an understanding of the fundamental science of photography. Laboratory exercises provide practical experience through the use of photographic equipment and darkroom procedures.

Projects will include using various types of film, lighting, paper, chemicals, and mounting techniques. The projects consist of depth of field, center of interest, action, camera position, and portrait techniques. These are the main topics each person will choose to use as guides for a project. This project is done for the first six weeks deadline. The second six weeks requires that you have six different topics of research work, plus different styles of pictures. The third six weeks you are given a list of topics for a one thousand word essay.

In photography you're expected to spend between fifteen and twenty dollars. This covers your film cost and also the cost of printing paper.

Photographers must have access to a camera for shooting pictures and developing their film. The instructor of this photography class is Mr. Larry Klink.

1. Sue Shink really gets into developing her film. 2. Tammy Radatz looks over the print she just developed. 3. Kelly Debie and Michelle Tomlinson smile at the results of their first prints.

Learning What Art Is All About

Many classes are offered in the art field. Classes are available in the drawing, painting and jeweler's field.

In order to become involved in these special art classes, you must have taken Art 1 and Art 2. In Art 1 you learn how to draw and in Art 2 students work on more creative projects such as poster drawing, silk screen T-shirts and abstract drawings.

The jewelry class, available in the second semester only, is different. Jewelry is made out of pure silver selling for seven dollars an ounce. Silver is put into the casting machine, which melts it into a liquid form making it ready for shaping.

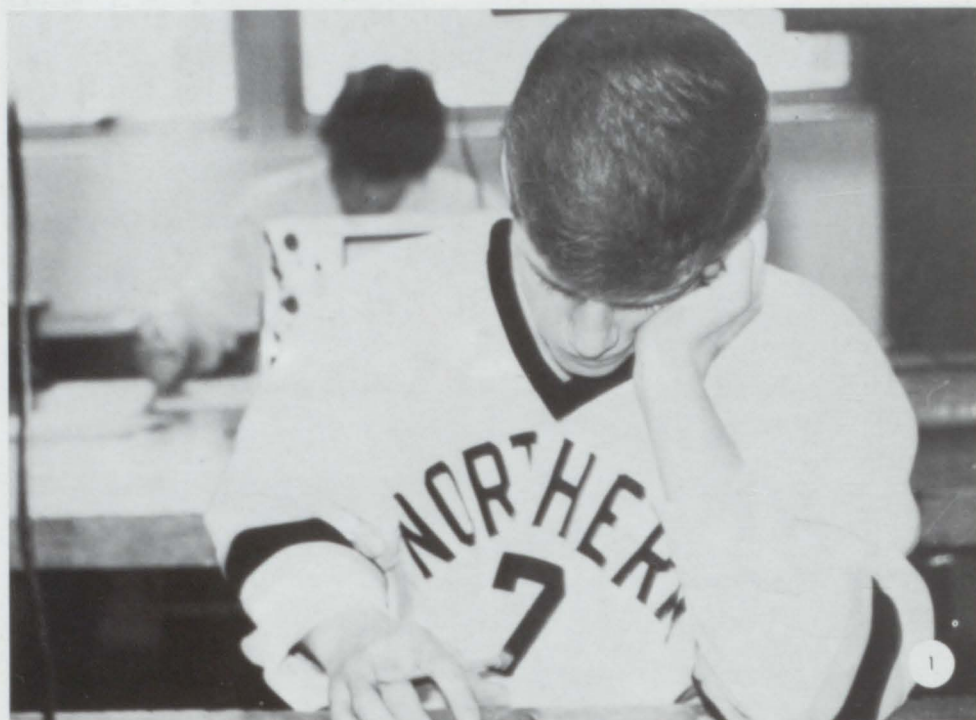

The hardwork is evident in the final products, no matter what kind of art class one is in. The students feel that there is a piece of themselves in every object, and therefore they take a special pride in everything they create. To make good art work it takes good facilities . . . the students sure have both!

1. This student concentrates on his form in Ms. LaBeau's class. 2. Steve Amey — the next Norman Rockwell.

Electronics is a one or two year course that can be taken for credit at Northern. Mr. Johnson runs a broad base program focusing on the fundamental concept of linear and digital electronics. The class format is to calculate through lectures and demonstrations and verify through lab. The first year is made up of mostly Sophomores learning anything from OHM's law to maintenance and evaluation of different types of electronic signal transmissions. Second year is a little more complex. It covers advanced linear techniques, digital techniques, and micro-processing. Electronics has been accused of being more of a college course but Mr. Johnson feels that it is the college course that is more like the high school course. There is a future in electronics. Eighty-five percent of the students in this course will go on to related fields. Some will get jobs through Co-Op and follow through with a full-time career. Jobs may be found at WPHM, WHLS/WSAQ, Neil's Audio/Videoland. Many go on to college and are placed in such prominent jobs as IBM or Boing. Beyond the classroom, Northern electronics pupils compete at the state level and have never failed to finish below third place. As Mr. Johnson says, "We have a state champion placed every year."

1. Phil Porte figures out a hard equation. 2. A student working with the electronic equipment. 3. Mr. Johnson and a student point out how it should be done.

Processed *Spirit*

It has taken years to establish this class here at Northern. Computers have gained much popularity among students. With computers becoming a major part of the student's life, this course will some day be an essential part in the learning process. Northern offers students two basic classes in this field. Introduction to computers, logic, binary math and the many computer languages. Computer processing is spent mostly making computer programs. Mr. Meeker and Mr. Talladay are the advisors in charge of these courses, each having different hours in the computer room. When the class began, it started from the bottom and now has many computers with which to work. This class is one in which the future counts and Northern is in the building process. Working today in computers looking toward the future.

1. Mr. Meeker explaining something complex.
2. A computer collage. 3. Two students figuring out a program. 4. Bill Harmer working out with his computer.

The Sound Of Music!

The Port Huron Northern Choir is a leading choir in District 16 of the Michigan School Vocal Association. The 1983-1984 Acapella received all Ones in competition last year which are the highest marks one can receive. All Ones last year took the Acapella to state competition where they received two Ones and one Two. This is the goal for the 1984-1985 choir also.

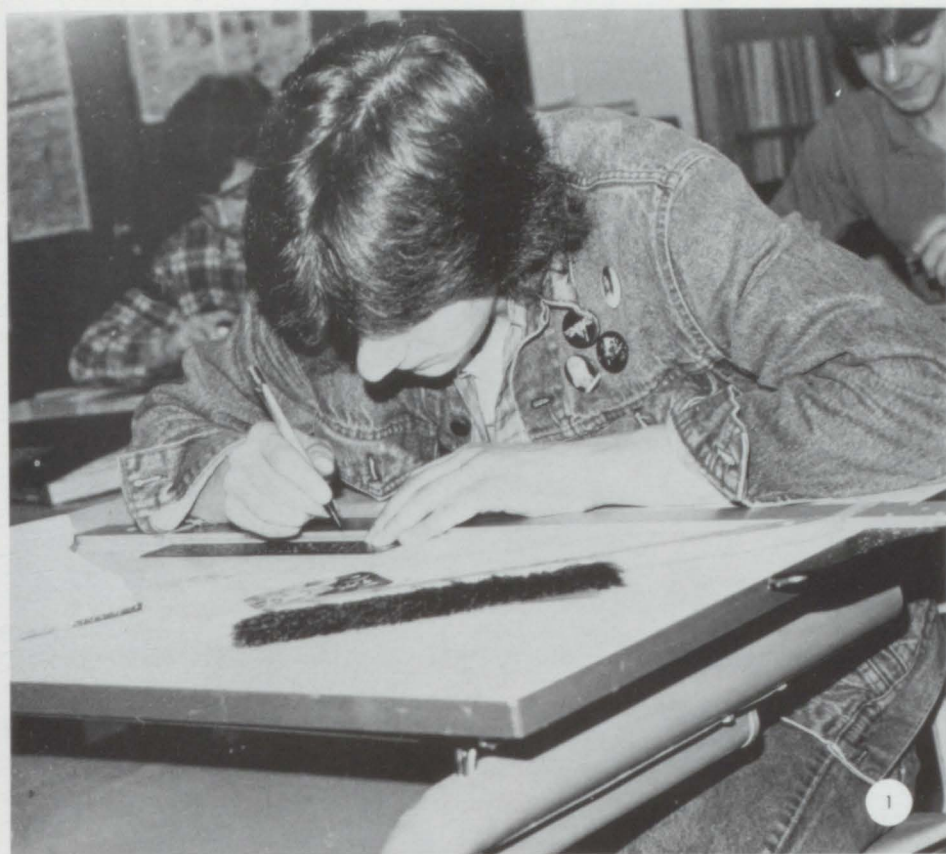

There are three choirs at Northern of which choral is the most select. Choral is the show choir, they sing in many competitions. As a choral they perform at various places throughout the year, such as the Fogcutter, and different churches in the Port Huron area. Acapella is the largest choir of the three choirs and as a group they also perform at the intermediate schools. Mix Choir is the building block for the future of the Acapella and Choral. Two concerts are given by the Mix Choir each year.

This year the choir has been kept busy through fundraisers to help pay for new choir robes. The annual Apple Pie Sale is one of the biggest money raisers that the choir participates in.

The choir is directed by Mr. Thomas Norager, and is greatly helped out by the choir officers. *Pictured below.* They are: President Brandy Chicone; Vice-President Chris Stein; Secretary Mary Dennis; and Treasurer Kris Shim.

Architects of the Future

All the skills learned in PHN'S drafting classes can help open several doors in the business world of drafting and commercial arts. Students begin with a two year course in mechanical drawing. The course gives the student the basic background or mechanical drawing fundamentals such as dimensions, sectioning, and pictorials. The student also studies orthographic projections, auxiliary views, and technical illustrations. Many other aspects of architecture such as architectural models, exploded views, and detailed drawings are among the details which are studied.

1. This student is absorbed in his work. 2. Jim Fayed may be designing his future. 3. Brian Chisholm is getting to know all the right angles.

Looking for a Job?

If you are already beginning to think about your future in the business world, then CO-OP is the answer. Mr. Jerry Miller will help you find a job in the field that you are interested. First, you begin by deciding on the field in which you are interested in and then you will take the classes in that field. At Port Huron Northern there are many classes to choose from. For instance, retailing, auto mechanics, electronics and the clerical block. It is highly recommended that you, as a junior, be placed in a business related class. Then as a senior, proceed on to CO-OP. After you have the training and background that are needed in the business world, Mr. Miller will place you in the job that best suits you. There are many businesses in the Port Huron area that are pleased to have CO-OP students. You learn what it's like to work with people and to get a chance to know what field you are really interested in. Most students who are given a job through CO-OP plan to make a career out of it. They find that CO-OP is the best way to go about this.

As a CO-OP student you begin at minimum wage. Your hours may vary according to your schedule but you usually work between 20 and 25 hours a week. Every marking period the school will send your employer a report card. Your employer is to grade you on your personality, appearance, job ability and how well you work with others. CO-OP is where your future begins.

1. Northern Co-op students working hard at the Huron Theater. 2. Paul Vorman checking sizes at Payless. 3. Mr. Miller is in charge of Co-op.

"Attention Northern Shoppers!!"

Have you ever thought about how boring lunch would be without the school store? Most people really don't appreciate how much time, care and hard work that goes into our store. Kathy Campbell, the manager, and many other workers can tell you that running a mini-market consists of more than just operating a register. There are many long hours spent stocking the shelves, cleaning the floor and taking inventory. Between 3 to 5 students work in the store each hour and before homeroom . . . some of them working up to 3 hours a day. Mr. Tinsley is in charge of making sure this whole process runs smoothly. While you are working, Mr. Tinsley determines your grades. Instead of grading you on tests, he grades you on your participation, how well you do your job and how much work you do.

Before you can begin working in the store, you must first take a retailing or a marketing class. Many students who are hard workers and can accept responsibilities, have on-the-job training while they continue to take the class.

This year not only does our store sell pop and candy but they provide our auto shop with all of their parts. They are also selling an assortment of other goods, including hunting and fishing equipment, sweat shirts and sweat pants and tickets to the football games.

Combined along with our school store we also have a book store which is run by Kim Schiemen. There are many long hours spent working in both of our stores. The students at Port Huron Northern really appreciate all the time and hard work that is spent in order to make our stores a success.

Happy Trails To You . . .

The fall weather was perfect again this year for all three Equestrian meets. The horses were polished, the riders were waiting in their show clothes; from derbies and flowing coats to huntseat blazers and hard hats to western wear. All three groups have classes in showmanship, patterns, riding on the flat, and bareback. Huntseat equipment is required for jumping and in gymkhana western or huntseat equipment is used. After the performance classes the team saddles up for the gymkhana events; cloverleaf, two-man relay, flag race and speed and action. These are judged by time and accuracy. The Equestrian team had a great season in the competition this year.

Two Kinds Of Fun

The Slopes . . .

For this year's annual trip, Port Huron Northern's Downhill Ski Club traveled to Sugar Loaf. The popular downhill skiing for people of all ages is at Black Forest, Pine Knob and Mount Holly.

All Winter sports, including downhill skiing got off to a slow start in the 1984-85 season due to the considerable lack of snow.

The club consisted of 28 members, including downhill professionals and amateurs of which all are welcome. The club's advisor was Mr. Chuck Meeker.

The Tracks . . .

Northern's Cross Country Ski Club enjoyed its second year of activities with skiing at local golf and ski clubs and trips to the Pinery and Stone Creek. The club boasts a membership of almost fifty. Some of the members have been enjoying the sport for many years, while others are novices who have put on skis for the first time this year. Cross Country skiing is a relatively inexpensive activity and can be learned by spending just a couple of hours on the trails. Equipment can be rented at a nominal fee or can be purchased in a package deal (skis, poles, and boots) for under \$100. One of the benefits of cross country skiing (in addition to being one of the best forms of exercise) is that it can be enjoyed just about anywhere there is snow. The advisor for the past two years has been Mr. Glenn Pike.

1. Jamie Jaso shows his natural skiing ability. 2. The members of the Cross Country Ski Team include (from left to right): Dave Reid, Stephan Johnson, Glen Pike (advisor), Sue Thomson (assistant advisor), Tom Moore, Lisa Sheline, Marybeth Wyllie and Justin McCarthy 3. Sue Thomson exhibits her excellent cross country form.

Bowling 'Em Over

The Port Huron Northern Bowling Club is the oldest club in the school. It started the first semester of the school's history and has continued each year since.

At that time there were three schools with bowling teams that battled each other for bragging rights of the cities best bowlers. The three schools were: Port Huron High, Port Huron Northern, and Catholic Central High School.

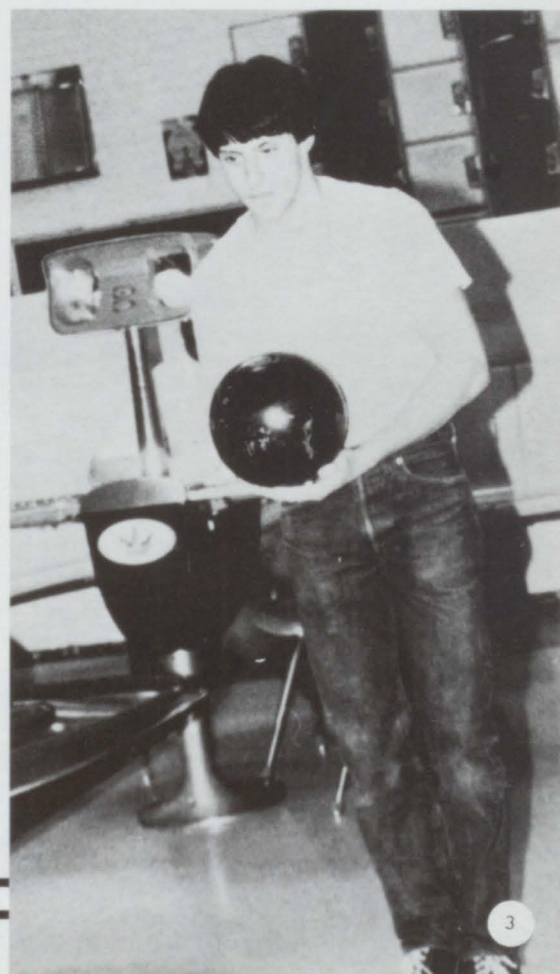

The first year 1964-65, Port Huron High won the team-mixed championship. The last year of the trophy, 1974, was won by Port Huron Northern and is on display in Northern's School. Competition ceased from 1974 until 1979 due to the lack of any competing teams from Port Huron High. Competition was reinstated when Central came into existence and formed its own bowling league.

Another trophy was established for Match Game Championship in 1979 and was won and displayed by Port Huron Northern.

The Northern Bowling League bowls every Monday from 4:00 to 5:30 at the Inn at the Bridge. The high bowler for the boys' is Keith Latterell, his average is 152; The girls' high bowler is Sandy Berry and her average is 150.

Martin Merchant is this year's president of the league which is sponsored by Mr. Richard Miller and assisted by Mrs. Deanna Beery.

1. Jeff Krauss picks up a spare. 2. Martin Merchant perfects his stance. 3. John Francavilla concentrates on his strategy to bowl a strike.

A Year of My Life!

Becoming an exchange student and going to another country for a year. Knowing that from now on everything will be different. Asking yourself if you are willing to leave your friends, your school, and your parents for a year. I was ready to go and take the chance. I wanted to find out how the Americans live, their customs, and of course, I wanted to improve my English. So I contacted Youth For Understanding, filled out papers and on August 9, 1984, I was ready to leave. On the plane I finally realized I was really on my way! The only things that worried me were my host family and entering school. The YFU had already helped a lot by giving advice and one of the most important things they told us was, "It's not right or wrong, just different." It is hard sometimes but if you keep these words in mind, it helps to understand the differences between the two cultures. Lockers, food, school, classes, TV, clothes, relationships between friends, drive-thrus, they are all just small things but if you add them all together, it's very different. The decision about becoming an exchange student has been the hardest choice I've had to make in my life. It was hard to leave, but it was worth it. I have not regretted anything. I want to thank all of you for making this year so special for me. Be proud. Americans are something special.

What Can You Say About Speech?

Speech is a course designed to give tenth through twelfth grade students a solid introduction to formal speech making, as well as to help the students feel more at ease in any situation in which they may be forced to speak. Special emphasis is placed on the development of the student's personality.

Speech class has many benefits. The skills that the students receive are invaluable. The class, most importantly, teaches the students to speak well in front of, and with, their peers. The speech class teacher tries to build self-confidence along with speaking ability. The recipients of this class learn to be more successful in communicating their personality to others. Therefore, they learn to work well with others.

The class teaches the students many important things, such as confidence. Confidence is very important in life, because without confidence a person would never accomplish anything. This is especially helpful to the students that are shy and do not like to speak in front of or with people. This class also gives its students better speaking abilities. Better speaking abilities are beneficial to the future orator and the casual conversationalist alike. Speech also gives the students an English credit and a prerequisite for the school radio station.

On a usual Monday in Ms. Simowski's class the students work on their speeches which were explained to them on Thursday and Friday. On Tuesdays and Wednesdays the students usually give their speeches. There is only about two hours of homework per week.

Speech is a very beneficial class and anybody that ever plans on talking in any situation should take it.

Changes on the Air

Port Huron Northern's radio station was started on May 9, 1972 by a very caring individual, Mr. Robert D. Trapp. During the summer of 1984 the untimely loss of Mr. Trapp saddened the students and faculty at Port Huron Northern. He organized and built the station located in Port Huron Northern High School, with the help of students. Mr. Trapp was more like a friend than a teacher to students. He spent many long hours working along side each student to help them reach their potential.

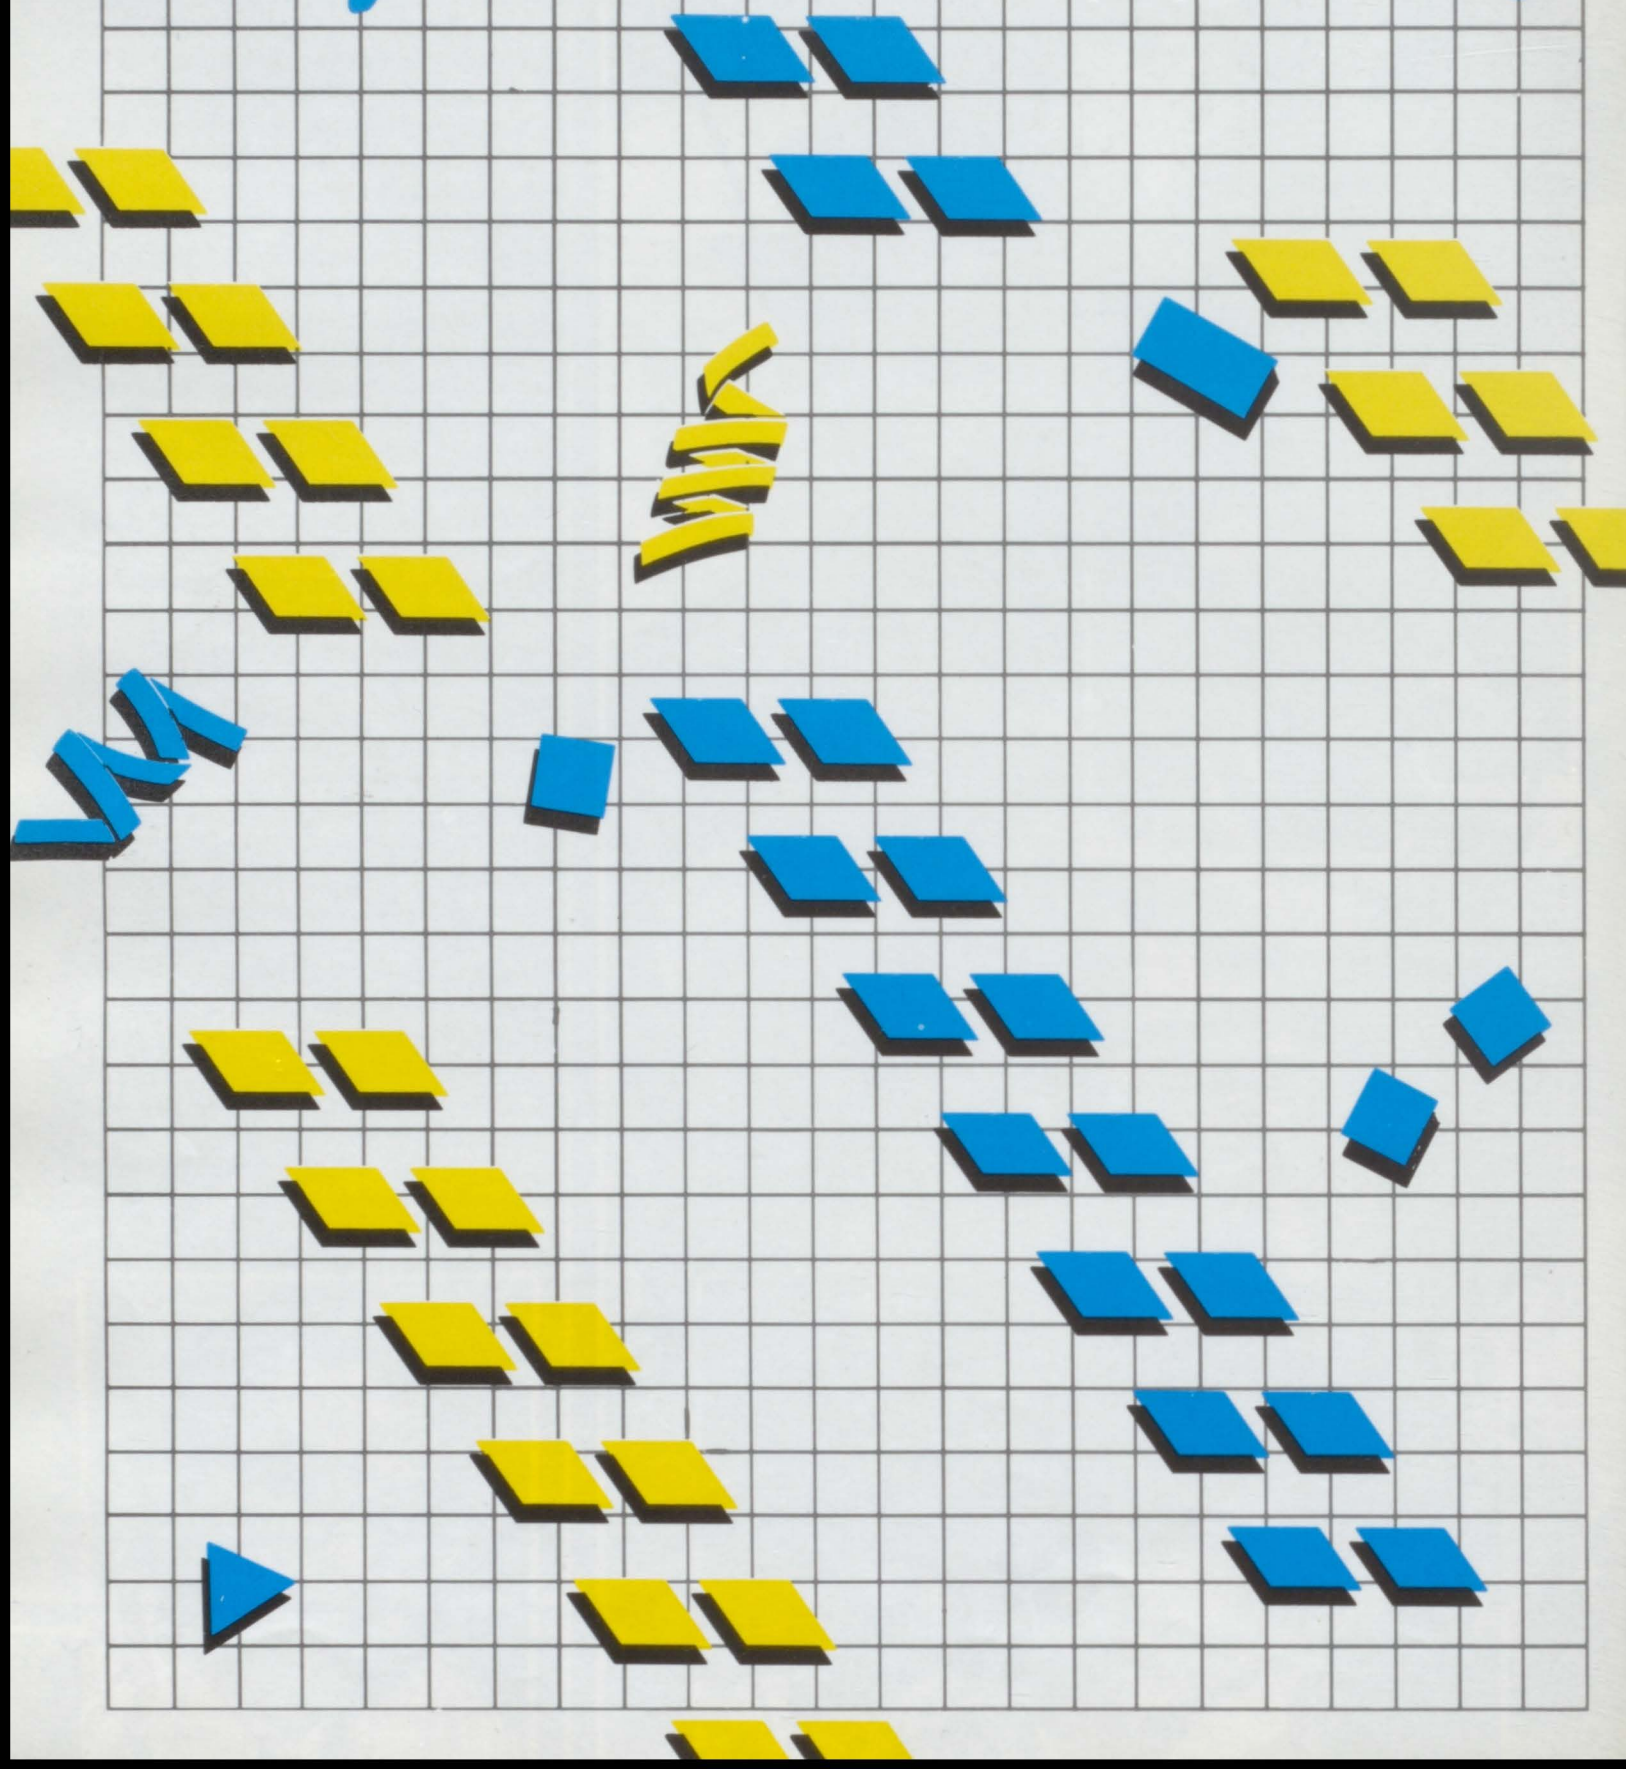

In the 60's Mr. Trapp had the distinction of being one of the youngest disc jockeys in Michigan. At 16 he was known as "Trapp on Tap," for his jazz show over WLAV in Grand Rapids. When Mr. Trapp spoke of the radio station there was always pride in his voice. He felt that if a student was willing to give their time, then he was willing to give up his time, that's why all of his work with the station was volunteer.

After Mr. Trapp passed away, Ms. Susan Simowski became station advisor. Ms. Simowski is working hard to make WORW as good as ever, and she is succeeding. This year instead of playing jazz they are playing the Top 40 and the response is overwhelming. This past year Keli Branch was the program director, with Shannon Harkins as music director. WORW begins its programming for the day at 7:00 am to 10:30 pm, 5 days a week. The students of the radio station consider themselves as "one big family" and that great feeling was started by Mr. Robert Trapp. He will be remembered always.

A Special Spirit

Juniors

Class of "86"

It has taken sometime, but the spirited class of "86" finds itself one step closer to becoming Seniors. This year's Juniors truly exemplify the meaning of Husky spirit. Although only moderate as Freshmen, they reached their zenith as Sophomores by overrunning all other classes here at Port Huron Northern and capturing the Mardi Gras Barrel. As Juniors they put up a tremendous fight in the effort to recapture the Barrel, but were just shy and lost to the Senior class.

It's been a long and hard struggle to the top, but the spirit, energy and enthusiasm of the Junior class will long be remembered.

A Special Spirit

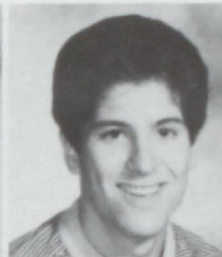

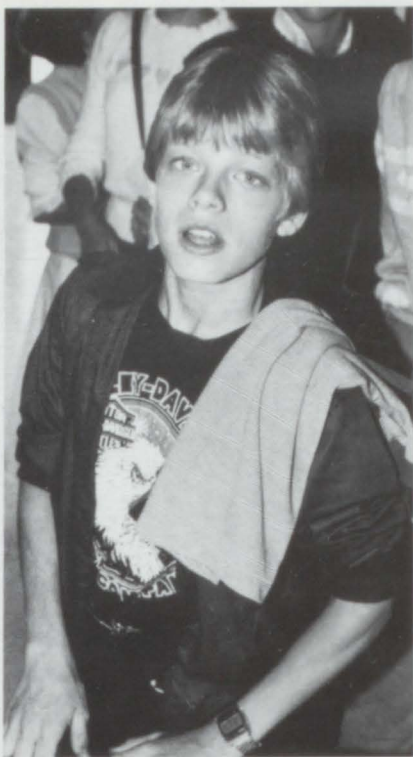

Gophomares

This year's Sophomore class has experienced a tremendous shift of spirit. No longer are they the quiet Freshmen who roamed the halls in a shy stupor. Now they walk through their school with heads held high. School spirit is an attitude and the Class of '87 has it all.

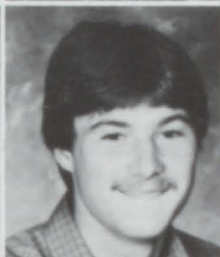

1. Sophomore Court nominees this year are (from top left): Lisa Farrington, Bridgette Deegan, Yvette Babin, Debbie Rhody, Rochelle Sass, Sue Wilkinson, Kirsten Clark, Denise Gould, Melany Liss, and Julie Shoudy. 2. Sophomore homerooms have lots of fun. 3. Sarah Smith, Cara Kirshner, Cynthia Whitney playing in the park. 4. Sophomores show their spirit at a pep rally. 5. Sophomore girls trying to get points in the Mardi Gras Games.

Freshmen

Off to a Good Start!!!

This year the Freshman class was the largest to enter Port Huron Northern. Freshmen feel the excitement of their first Back-to-School dance, Mardi Gras, and Spirit week. Above all, these activities call for class unity. This year's Freshmen displayed the kind of spirit needed. With their energy and enthusiasm, they proved that they can be a class able to act as one to provide spirit and leadership for the school.

1. Back row: Pam Robinson, Robin Taylor, Sue Moody, Rhonda Recker, Janice Musselman. Front row: Lisa Davey, Andrea Goldsworthy, Kim Beedon, Laura Lockwood, Lori McIntyre. 2. Jason Wedge amusing himself again. 3. Ray Jawor and Ted Jobbitt smile for their picture being taken while they sit patiently for one of P.H.N.'s assemblies. 4. "It looks Greek to me," says Dianna Horton. 5. Todd Bartly and George Grady take a fast pose in the halls as they journey to their next class.

A Special Spirit

Academics

William B. Pierce grew up in Ishpeming, a small town in the Upper Peninsula. Before he went into teaching he was a musician in the United States Air Force and a social worker in Ypsilanti for three years. Mr. Pierce has been a member of the Port Huron Area School District for 28 years. He was the assistant principal at Port Huron High in 1969 and the principal of Central High School in 1971 before coming to

Port Huron Northern in 1980. He says, "Being in the teaching field keeps me young and gives me a youthful perspective."

In his spare time Mr. Pierce plays the drums in the Jake Wade Jazz Band. In addition to drumming, the majority of his spare time is spent hunting down rare books and attending antique shows — often as far away as Pennsylvania. He also enjoys writing and has sold some of

his articles to national magazines.

At the end of the summer of 1985 Mr. Pierce will be retiring. After his retirement he hopes to do more writing and playing in the band. William B. Pierce is a wonderful man and a great principal. The staff and students of this school will truly miss him.

Pictured above are the department heads. From left: Stan Renner (mathematics), Ruth Meyer (English), James Goldsworthy (assistant principal), William Pierce (principal), Patricia Austin (assistant principal), Edward Tinsley (business and industrial arts), and Robert Elliott (physical education and social studies).

Mr. Robert Mattson is a counselor here at Northern. He helps students whose last name begins with H through M. He has been here for sixteen years and really enjoys working with the faculty and students. In addition to his normal duties as counselor, he is the Class of 1986's advisor and the assistant coach for the newly formed hockey team. Mr. Mattson also works for the United States Customs at the Blue Water Bridge.

Mr. Mattson grew up in Sault

Saint Marie, MI. During his high school years he attended Soo High School and played on the basketball team. He was very involved in school activities and known to all high school buddies as "Lefty."

At present, he is married, drives a green van and has six children. Two of his children are attending PHN as freshmen, one is in the eighth grade at Central Intermediate and his other three children have graduated. In his spare time he is an amateur radio

operator with equipment based from his home. He also enjoys fishing, hunting and just being outdoors.

Pictured below are the counselors. From left: Gene Dunbar, Howard Buckoski, Douglas Soule, Patricia Austin, Robert Mattson, and Raymond Morehead.

If you are a Junior and decide to take American Literature, your teacher may very well be Mr. Larry Miller. Mr. Miller also teaches a very interesting class entitled "Mark Twain." It is a class based solely on the study of the history and literary works of Samuel Clemens, a.k.a. Mark Twain.

Mr. Miller has been teaching for twenty-three years and he says he truly enjoys it. He feels that young people are gifted with an insatiable thirst for discovering new things and learning, regardless of test grades and/or ability. His wish is for every young person to believe in him/herself as well as the world he or she lives.

Putting aside the "teacher" Mr. Miller, the "person" Mr. Miller has lived in Port Huron for forty-six years. He and his wife of twenty-seven years have raised three children. The family pet is usually a dog of some sort but beagles are Mr. Miller's personal favorite. Writing poetry, doing "photography stuff," playing golf, and playing Hide-And-Go-Seek with his grandchildren are just a few of his favorite hobbies. In his spare time he also likes doing yardwork, reading, or studying the Bible. As for retiring? Nothing special planned. Mr. Miller just wants to stay active, useful and

concerned.

The school is a better place because of Mr. Miller and the students who have come in contact with him have appreciated the dedication and professionalism that he has always shown.

(row 1 from left): R. Panoff, C. Goldfarb, M. Dineen, P. Mosier (row 2 from left): P. Woods, E. Blynn, R. Fotchman, R. LaBelle, R. Talladay, S. Renner

Mr. Richard Talladay has been teaching for seventeen years. Attending Eastern Michigan University, Wayne State University, William Tyndale and the University of Michigan, he majored in mathematics. Here at Northern the classes he teaches are Consumers Math, Basic Geometry and Advanced Computers. Mr. Talladay feels computers will help the students to be better prepared for the high-tech world in which they live.

During the summer, Mr. Talladay is a residential housing contractor, a profession he enjoys greatly in addition to teaching. He also enjoys spending time with his two children. He tells his children just what he tells his students: All students should be more conscientious about doing their homework. Never put homework off because it seems to get harder the longer one waits. Homework is the basic tool for learning in school.

From left: W. Morrison, F. Nesbitt, H. Miller, T. Blackney, H. Heidemann, and L. Klink

"Teaching is great fun as long as you have students who are interested, challenged and ambitious. The vibrance and enthusiasm of youth keeps you young," says Mr. Gary L. Nesbitt. He enjoys teaching and the challenge of dealing with young "moldable" minds as they prepare for their future education and employment.

Mr. Nesbitt has been married for 23 years. He says there are two things nobody can touch; his lunch or his wife, not necessarily in that order. He has four sons; Gary, Jeff, Tracy, and Christopher.

He is an avid sports fan and coach. At Northern he is the Varsity football trainer, the JV basketball coach, and the girl's track coach.

As far as a future in teaching, Mr. Nesbitt says, "Never tie yourself to any one post. Always leave enough slack in the rope to be enthusiastic and energetic for anything which may come along in the future. When a career becomes laborious work it is time to change so as to always challenge the mind and body. Therefore, I will never become tied to any one thing but always in search of an interesting experience."

SCIENCE/SOCIAL STUDIES

First row: C. Meeker, L. Rutkofske, S. Coughenour Second row: R. Elliot, J. Eastman, C. Smith, F. Green Third row: I. Claseman, R. Anderson, G. Young

Mr. Lonnie Rutkofske found that leaving Port Huron Central was very hard, but Port Huron Northern offered a different brand of students, activities and interests. It is from these things that Mr. Rutkofske developed his loyalties for Port Huron Northern.

Growing up all over the world in such places as Japan, Hawaii, and Louisiana has given him much to draw for his teaching. Mr. Rutkofske attended St. Mary's College of California, SC4, and MSU where he received a Bachelor's Degree in History and Art.

Coaching football plays a very big part in the school year for Mr. Rutkofske. He also coached boys tennis for eleven years at Washington Intermediate and Central High School before its closing.

His favorite time of the year is Fall, with all the excitement which is generated from the students due to football games, dances, and homecoming. In his spare time, Mr. Rutkofske enjoys playing chess and racquetball, either for fun or in a tournament.

Ten years from now Mr. Rutkofske hopes to still be in the teaching field. In his own words, "I enjoy teaching, and I like kids, besides that the hours are good and I like the summer vacations."

The secretaries at Port Huron Northern are a very vital part of our school. One of the most respected and admired secretaries at Northern is Mrs. Whitford. Mrs. Whitford works in the Attendance Office for Mr. Dickinson, one of Northern's Assistant Principals. She begins her work at 7:30 a.m. and works until 3:30 p.m. Her job duties include typing the white absence sheet or the yellow excused/unexcused sheet, recording daily and weekly absences of students, or people who want her to believe they are the student's parent. She has been working in the P.H.A.S.D. for thirteen years; nine at P.H. Central and four at

Northern. She enjoys her job because she is working with students and parents. In her spare time she enjoys reading, needlepoint, gardening and traveling. Mrs. Whitford feels one of the most interesting qualities about her is her two "super" children, Wendy and David, whom she is very proud of. Her daughter is married and works for a doctor in Port Huron and her son David is married and is a weatherman for a television station in Lansing. Mrs. Whitford's personality reflects a kind and understanding person. She is always ready to help in time of need.

(Secretaries from left to right): Mrs. Albert, Secretary for the counselors; Mrs. Willard, Secretary for Mr. Goldsworthy; Mrs. Teff, Accounting Secretary; Mrs. Vigrass, Secretary for Miss Austin, Debbie Lucas, Secretary for the Librarians. SECRETARIES/LIBRARIANS

Miss Betty Boyd was born and raised in Battle Creek, Michigan. She graduated from Battle Creek High School and attended the University of Michigan where she majored in Accounting. While in college, she worked for a CPA for seven years. She graduated from the University of Michigan with two Master Degrees and one Bachelor's Degree. Miss Boyd started out teaching school in St. Clair for four years. She then taught 5th and 6th graders at Port Huron Township School for three years. When the school districts merged she went to Washington where she taught Social Studies to 6th and 7th graders. Miss Boyd worked in the library at Washington for 2½ years. After Washington closed she was transferred to Port Huron Northern in 1980. She has been the librarian at Northern for the past 5 years. Her working day begins at 7:55 a.m. and usually ends around 3:15 p.m. She chose this job because of the fascination and exposure to knowledge this position offers her. In her spare time she likes to read, work in the yard, play with her dog Misty, play golf, and she also likes to fly planes, which she has her own private license to operate a plane. She has also done some extensive traveling throughout the United States including Alaska and Hawaii, also through many European countries. She has been in Russia for two weeks and has also been behind the Iron Curtain. She has traveled to Buenos Aires, Peru, and has visited the old Inca Civilization. She received a Full-Bright Hayes Government Grant which gave her the opportunity to study for six weeks at the University of Santiago in Chile. Miss Boyd enjoys her position at Northern as a librarian because she feels that it is very rewarding to work with other people.

3. Librarians at Port Huron Northern (left to right): Mrs. Joann Fick and Miss Betty Boyd. 4. Miss Betty Boyd.

This year's Foreign Language teachers are: Mr. Labelle, Mr. Ryckewecz, Herr Norman and Mr. Ahearn.

Mr. Norman, commonly referred to as Herr, is the teacher for our German language program here at Port Huron Northern.

Herr Norman has been teaching since 1959, twenty six years. He taught at Port Huron High School for one year then at Bay City Central for five years before Northern. Herr majored in International Affairs and minored in German for the four years that he attended the University of Colorado. Before teaching Herr Norman worked in the foreign service where he was assigned to work in Burma, England, and Italy. Herr enjoys traveling and hopes to do more in the future. Herr Norman enjoys keeping in shape by swimming. When Herr has free time from his busy schedule and wants to relax, he enjoys playing classical music on his organ.

An active member in his community of Lexington, Herr is a member and chairman of the Historic District Committee. He also enjoys being active in his church and is on the vestry.

GYM/FOREIGN LANGUAGE

Mr. Dan Hanton is a physical education teacher here at Northern. He has been teaching here for 11 years, Mr. Hanton has also spent time teaching at Port Huron High

School and Brown City. Mr. Hanton chose the career of teaching physical education because he enjoyed it when he was in high school. He also finds it very rewarding to see the change in the ability of the students from September to June. Sports activities, coin collecting, and motorcycle riding are just a few of Mr. Hanton's hobbies, which he enjoys in his free time. When asked if he thought Physical Education was an important part of a student's academic career he responded: "Yes, it allows the student to release some of that energy that would sometimes get him in trouble in a classroom situation. I feel it also helps him to become a healthier individual, a more fit person, and a well balanced student." Like every teacher, Mr. Hanton has one moment that sticks out in his mind more clearly than others because it was rather embarrassing. Mr. Hanton says teaching football is embarrassing because some of the stances are not very "lady-like!" Mr. Hanton teaches other classes such as P.O.D. but is most recognized for his extraordinary ability to teach Physical Education.

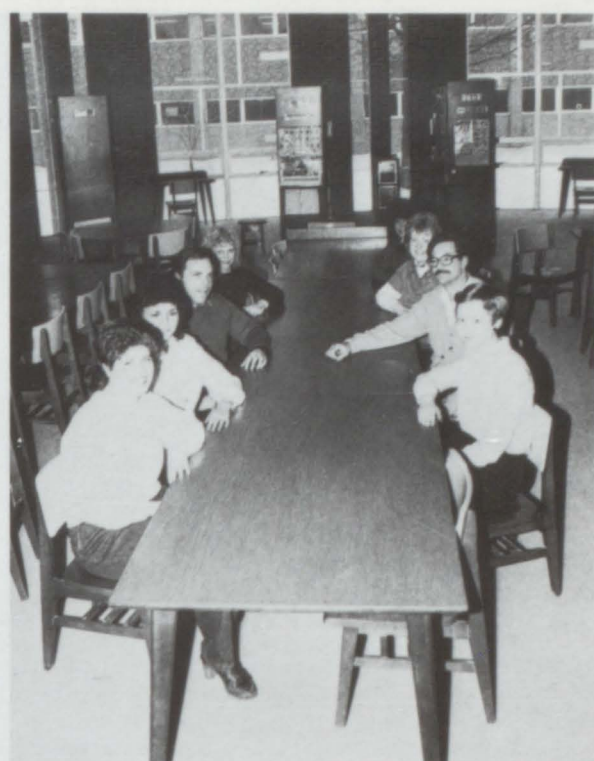

This year's Physical Education Department includes: Mr. Hanton, Mr. Armstrong, Miss

Fugiel, Mr. Bates, Mrs. Johnson, Mr. Elliott and Mr. Dickey.

Mrs. Jamison, Ms. Weston, Ms. Hughes, Ms. Hughes, Ms. Ullenbrach, Mrs. Stephenson, Ms. Dllsing, Ms. Brown, Ms. Shaw, Ms. Totten, Ms. Turloff

Left to back: Mrs. Metz, Mrs. LaMarra, Mr. Murray, Mrs. Hein. Right side, back row to front: Mrs. Contu, Mrs. Riesbeck, Mr. Vettese, Mrs. Guske.

COOKS/LEARNING ABILITIES

Mrs. Jamison started her work in 1958 at Port Huron High School. She worked there until the Fall of 1981, when she came to Northern.

Here at Northern, she begins her day at 5:30 a.m. She is the cafeteria manager and is in charge of ten women. Together they prepare from 2,500 to 2,600 meals for eleven different schools everyday. Mrs. Jamison enjoys her work here because she feels Northern is excellent and she really enjoys the students.

Mrs. Jamison has a son Gordon Jamison, a former math and computer teacher at Port Huron Northern. She and her husband have three grandchildren whom they are very proud.

In her free time Mrs. Jamison enjoys sewing, knitting, cooking

and all types of sports, mainly playing golf. Upon the arrival of her retirement this year, Mr. and Mrs. Jamison plan to do some extensive traveling. They will also be spending some time at their cabin in Northern Michigan. Mr. and Mrs. Jamison will spend their time "just enjoying life."

Miss Olga Cantu was born in Lincoln Park, Michigan. At age four, her father moved them to Monterrey, Mexico where he had bought a business. While in Monterrey she attended public elementary school, and later attended a bilingual school where the curriculum was in English and Spanish. She had all of her English classes in the morning and all of her Spanish classes in the afternoon. Did she have the homework!

After her mother's death her family moved back to Michigan where she finished her high school education in a special program at Denby and Cass Tech High School. Miss Cantu's high school curriculum was geared toward college prep and secretarial skills.

Once she graduated from high school, she decided to attend college on a part-time basis, as she was more interested in finding a good-paying job that would afford her the opportunity to travel. She was fortunate to land an exciting job as a bilingual secretary in the international division of the Burroughs Corporation. During her stay at Burroughs she had the opportunity to travel extensively to

Mexico and Central Europe

In 1970 Miss Cantu decided to go back to college and finish her degree in education of foreign language and English. After graduating from college, she worked for seven years for a parochial school in the Detroit area, and during this time was nominated to take a student group to Denmark on a summer exchange program. Upon return from Denmark, she completed her Master's Degree in Special Education and in 1979 joined the PHN staff, and in 1983 completed a Specialist's Degree in Education. She enjoys working at Northern and said she would not give it up for anything.

At three o'clock when the bell rings to go home, you may walk down the line of buses and see bus #154. Sitting behind the wheel you will find one of the favorite bus drivers in the Port Huron Area School District. His name is Quinten Bowerson, better known as "Hot Dog." He has been driving buses for five years and enjoys it because he likes kids. Before he became a bus driver he was a tool maker, but as he got older and heavier he needed a job that he could do sitting down. The

most embarrassing moment that Hot Dog experienced was when a policeman pulled him over because some of the lights on the front of the bus weren't working. The kids had fun teasing him about it for a long time afterward. He doesn't really have a favorite age group, but he enjoys working with Special Education.

Hot Dog is married and has six children and twelve grandchildren. One of his personal hobbies is repairing small appliances.

Some of the replies from kids riding the bus as to why they liked Hot Dog so well were, "because he treats us like people and not kids," and "because he's chubby." The kids feel that they are lucky to have him for a bus driver and they hope that he will come back to drive their bus next year.

1. A few of our loyal bus drivers take time out for a picture. 2. Drivers have time to joke with their passengers.

BUSING/SKILL CENTER

Dale Ropp is a job placement coordinator at the St. Clair County Skill Center. Primarily, he finds jobs for students on unpaid work experience, co-op, or full time jobs for Skill Center graduates. He loves working with students, and likes the satisfaction and thanks he gets when he helps them get a job.

Mr Ropp graduated from Sturgis High School in Sturgis, Michigan, and received his Bachelor's/Science degree and Master of Arts degree at Western Michigan University. Mr Ropp and his wife Jane started dating as freshmen in high school. They have three sons; Jeff, 23 years old; Topher, 19 years old; and Patrick, who is 16.

Mr. Ropp and his sons love the water and enjoy boat building, working on racing engines, boat racing and water skiing together. One

of the most exciting things he has ever done was set a world record in racing boats. In his spare time, Mr. Ropp likes to watch the freighters on the St. Clair River, and he runs 3½ miles every morning.

When asked where he wants to be ten years from now, he replied, "I hope to be doing the same job at the Skill Center that I'm doing now, because I have the best job in the whole wide world!!"

BUSINESS/FOODS

At Port Huron Northern our business office educator is Miss Patricia Knapp, affectionately known as "Knapper." Miss Knapp loves her work and enjoys teaching something that is relevant that the students can use after graduation.

Students often go to her with problems or just wanting to talk. Her love for her work and her genuine interest in the future of her students is what makes students have such respect for her. Miss Knapp's students enjoy her class and have lots of fun. They think Miss Knapp is a wonderful teacher and genuinely concerned for her students.

Miss Knapp's hobbies are reading, sunning, tracing her family roots, collecting balloons and music boxes, and traveling.

In her spare time, Miss Knapp loves to travel. She has many favorite places including Italy and Ireland. She says she got the gift of gab from kissing Ireland's Blarney Stone. Legend has it that if one kisses the Blarney Stone, they will inherit the gift of gab and the art of flirtation.

Miss Knapp has worked as a counselor for American Leadership Study Groups during the summer. Under this program, she organizes trips to Europe for students and travels with them.

The foods teacher here at Port Huron Northern is Ms. Galoit. She has been teaching for 22 years. Ms. Galoit has also had the opportunity to teach Clothing 1-4, Living In Today's World, Child Development, Money Management, and Creative Stitchery. All these classes benefit not only the future homemaker, but also the future adult.

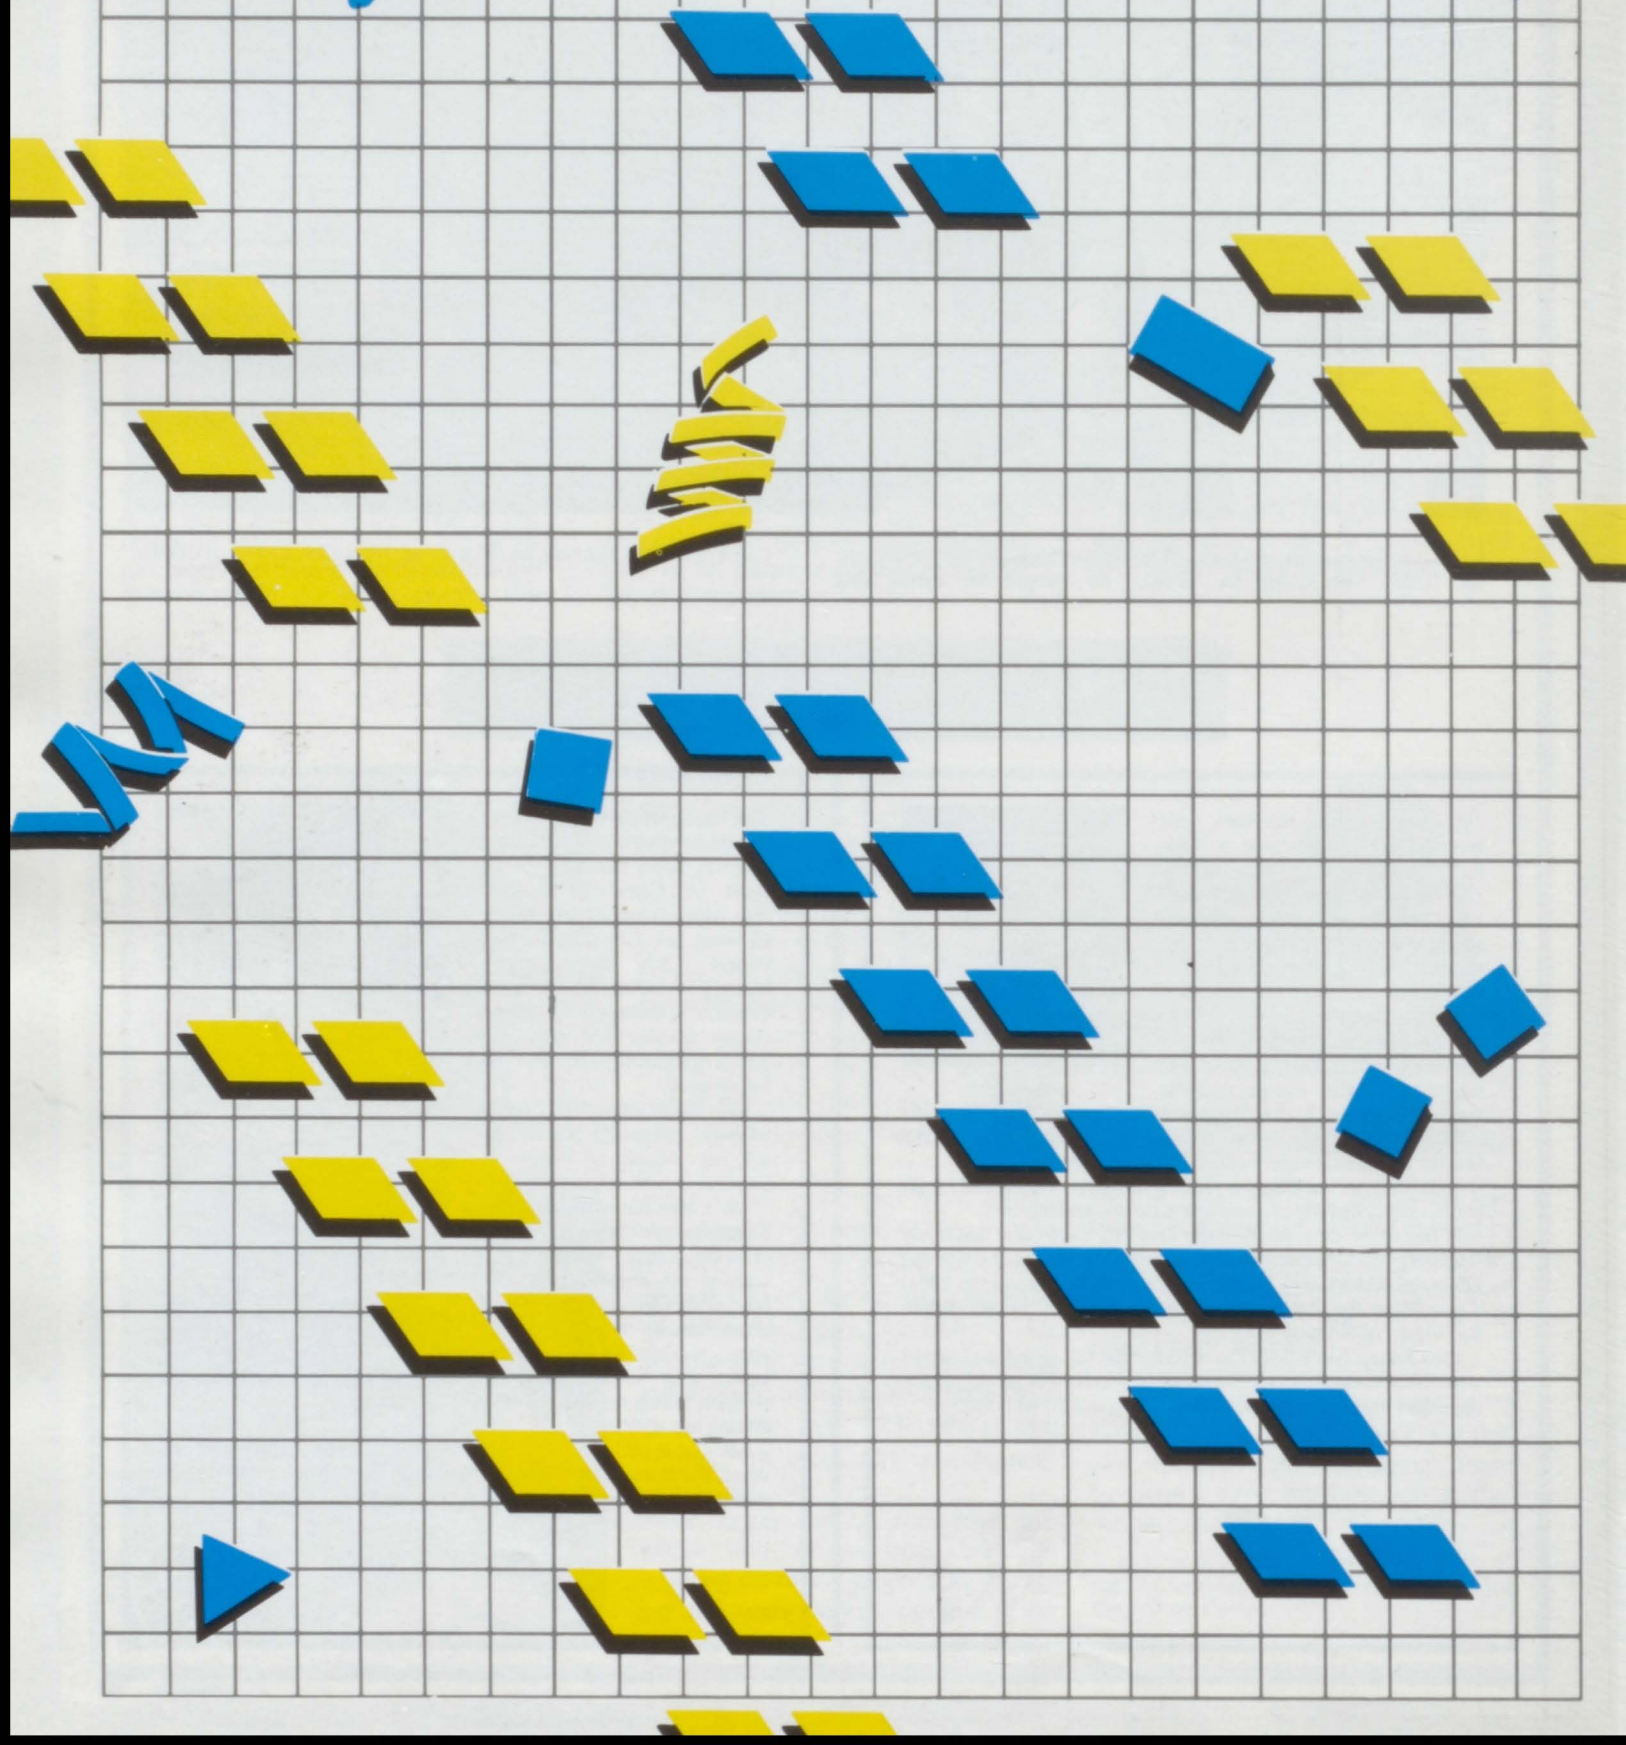

Ms. Galoit attended Central Michigan University. She received her Master's degree in Science.

Ms. Galoit has many hobbies. Creative stitchery, sewing, drawing cards, reading, and walking are among them. She has made some shadow stitched dresses of which she is very proud. Quilts, quilted vests, and some Igolochkot (Russian punch needle) are also among her achievements.

Ms. Galoit said that she would rather do stitchery than cook. But, when she does cook at home, she enjoys trying low-calorie recipes that don't taste very low-cal.

SHOULD YOUR SENIOR PORTRAIT BE DIFFERENT?

By all means your personal senior portrait should be different from everyone else's.

This may mean special lighting, clothing, and poses whatever it takes to capture you at your best and reveal your unique character. No assembly line, please!

At our studio we're prepared to put out that special effort to make your senior picture one that "captures the real you," and one that's worthy of this important event in your life! Call us and see the difference!

A Special Spirit

In the words of . . .

Madonna

Everybody spread the word, we're going to have a celebration. All across the world in every nation because it's time for the good times, forget about the bad . . .

Wham!

Party nights and neon lights we hit the floors, we hit the heights!

Berlin

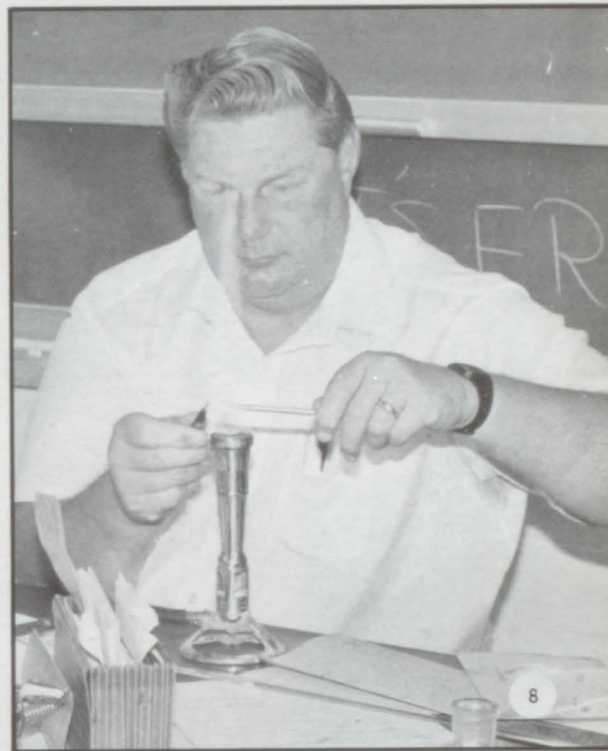

Yes, it's time for fun, dance 'till the night is done.

Dennis DeYoung

Those summer nights when we were young ... we were dreamers, only dreamers.

Ollie and Jerry

There's no stopping us, no one does it better.

1. Rochell Sass and Melani Liss engage in a playful leaf fight. 2. Cheryl Keil and Jeanette Hopkins take a break. 3. Meredith Burdick says, "So you don't approve, well who asked you to." 4. Jennifer Mattson and Susan Fischer smile for the camera. 5. Edna Reyna displays her Prince dedicated locker. 6. ... and on the eighth day God made Yearbook Editors Jeanie Schaft, Bill McLaughlin, and Sarah McCue. 7. The first snowfall brings the Spirit of Winter to Northern students. 8. Look out Einstein here comes Mr. Nesbitt.

COLOPHON

Port Huron Northern's 1985 Yearbook was printed by Taylor Publishing Co., Dallas, Texas. There were a total of one thousand one hundred fifty books sold, with a total of 216 pages, 48 pages were in color. The print type used was Optima and Brush. Our cover photo was a lithograph. Editors for this years book were Jeanie Schaft, Bill McLaughlin, and Sarah McCue who attended a summer workshop at Adrian College, Michigan. Our advisor was Mr. Al Wright. The students took their own photos, designed their own layouts, and wrote their own copy. Our book was started during the spring of '84. The Port Huron Northern Spirit class would like to give special thanks to the Times Herald for the use of their photos in the sports section, Craine-Williams for our cover photo, Huron Theater for the use of their marquee, Jechura Studios for the photograph of queen's court and supplies, and thanks to Barb Bloom who was the Taylor Publishing Co. representative of the Port Huron Northern Yearbook 1985. We would like to again thank our patrons and advertisers.

1. A Freshman's day at the beach. 2. Lisa Casper and Jodi Branch display their charm in our halls. 3. Lee Ann Hubble, Kathy Petho, Shannon Harkins and Shari Straffon show off their ravishing beauty for our camera. 4. Cathy Cuthbertson working hard? Or hardly working? 5. Tracy Parrish working hard in Yearbook class.
